

## An Understated Dominance Chapter 1581 - 1590

### Chapter 1581

“Ugh——!”

The motorcade roared all the way. After breaking into the Yin family manor, it did not stop at all and drove directly to the main entrance of the mourning hall before stopping.

Then, a deputy general jumped out of the car and led a group of fully armed soldiers, who surged down.

“Who made the call just now?”

The lieutenant’s face was sullen, and his sharp eyes shot around the mourning hall.

“It’s me, it’s me who made the report call!”

Feng Miao Zhu immediately raised his hand to signal and said quickly: “General, I am Feng Miao Zhu from the Feng family. I have a close relationship with Mu Anxiang, Young Master Mu. I just saw someone here killing Young Master Mu. Please arrest him quickly!”

“Who is the murderer?” the deputy asked in a deep voice.

Mu Anxiang’s death has spread throughout the entire Mu Prince’s Mansion.

Lu Chen broke into Yumian Villa without permission, openly injured Mu Anxiang, and took away his head.

After receiving the news, Prince Mu was furious and personally ordered that the murderer must be severely punished.

All of a sudden, all the soldiers and horses of Prince Mu’s palace were out, searching everywhere for traces of the murderer.

So just after receiving the report call, he immediately led his troops to kill, preparing to catch the murderer and take the lead.

“He is the murderer!”

Feng Miaozi turned around and pointed at Lu Chen with a sneer on her lips.

“Not only him, but everyone in the Yin family is his accomplice, and they must all be arrested!” Wang Zixuan suddenly added.

Hearing this, everyone in the Yin family panicked instantly.

“Ms. Wang! It’s none of our business. We don’t know anything. You can’t talk nonsense!”

“Yes, Miss Wang! We have nothing to do with Chase Lu, you can’t slander us!”

“Ms. Wang, please show your respect. We are willing to hand over the formula. Please let us go!”

Many people were so frightened that they knelt on the ground, kowtowed and begged.

Once they are confirmed to be the accomplices, it will be really difficult to save them.

“Um?”

Lu Chen frowned slightly, a cold light flashed in his eyes.

He didn’t expect Wang Zixuan to be so vicious. In order to take revenge on him, he would not hesitate to drag the entire Yin family into trouble.

What a snake-hearted person!

“Hmph! It’s too late to say this now. Young Master Mu is dead, and you people can’t escape the blame!”

Wang Zixuan had a cold face and was unmoved: “Maybe you just ordered Lu Chen to kill Mr. Mu just for revenge!”

She knew very well that Mu Anxiang’s death would never be quelled by a formula.

“No, no! Absolutely not!”

Fourth Uncle Yin’s face turned pale and he waved his hands in fear: “Miss Wang, even if we have great courage, we would not dare to murder Young Master Mu. These are Lu Chen’s actions alone and have nothing to do with our Yin family!”

“If it has nothing to do with you, why is Mr. Mu’s head in your Yin family’s mourning hall? How should you explain it?” Wang Zixuan asked.

“I...we didn’t know that it was Lu Chen who lifted the head.” Fourth Uncle Yin said with a sad face.

“Hmph! Stop quibbling. Without the instructions of your Yin family, how could a mere martial artist be so bold?” Wang Zixuan shouted.

“You’re right! You Yin family and Lu Chen are all the same, and no one can escape the relationship!” Feng Miao Zhu shouted.

“Unjustly...unjustly accused!”

Fourth Uncle Yin, along with everyone in the Yin family, all knelt on the ground, kowtowing and shouting injustice.

If this dirty water cannot be washed away, the entire Yin family will be doomed.

“Vicious woman! You are a poisonous woman with a heart of snakes and scorpions. We, the Yin family, have no enmity against you. Why do you want to frame us?!”

At this moment, Yin Quan finally couldn’t bear it anymore and roared.

## Chapter 1582

He had promised to hand over the formula before, just to preserve the family.

Now Wang Zixuan sentenced the Yin family to death with just a few words. It was so cruel and vicious!

Faced with the curse, Wang Zixuan’s face did not change, but she hugged her fists at the deputy general of Prince Mu’s Mansion and said loudly: “General, Master Mu cannot die in vain. All these suspicious persons must be arrested and sentenced to death. Only in this way can we kill chickens to scare monkeys and establish a good foundation.” majesty!”

Hearing this, the deputy general nodded, finally waved his hand and shouted: “Come here! Take all these murderers back and torture them severely!”

“Wait!”

Lu Chen suddenly took two steps forward and said in a cold voice: “Mu Anxiang was killed by me and had nothing to do with the Yin family. I am willing to bear all the consequences!”

“Hmph! You, a murderer, will naturally be severely punished, but these accomplices will never have an easy time either!” the deputy general said sternly.

“If you dare to mess around, I guarantee you will end up like Mu Anxiang.” Lu Chen’s eyes were cold.

“What? Threatening me? You really are about to die and you don’t know it yet!” The deputy general narrowed his eyes slightly and pulled out the gun from his waist.

“Lu! With dozens of guns pointed at you, I don’t believe you can cause any big waves!” Feng Miaozyu sneered.

“Lu Chen, just go ahead and capture him. This way you might be able to keep a whole body.” Wang Zixuan said angrily.

“I still say the same thing, whoever dares to mess around today will die!” Lu Chen was filled with murderous intent.

“Hmph! I think you won’t cry until you see the coffin!”

The deputy general raised his hand and shouted: “Come here! Capture them all! Anyone who dares to resist will be shot to death!”

As soon as he finished speaking, all the armed soldiers loaded their bullets and aimed at Lu Chen and others.

Seeing this scene, everyone in the Yin family was so frightened that they became silent and panicked.

“Boom—!”

Just when the atmosphere was tense.

Over the Yin Manor, a dozen armed helicopters suddenly appeared.

After the helicopter hovered, ropes were dropped one by one.

Immediately afterwards, elite soldiers armed to the teeth parachuted down from the helicopter.

At first glance, it looks like a soldier descending from heaven, majestic and astonishing.

In a few breaths, the ground was already covered with people.

As soon as these elite soldiers appeared, they hugged the people of Prince Mu's Mansion without any courtesy at all.

Not to be outdone, the soldiers and horses of Prince Mu's Mansion turned their guns one after another and began to confront each other.

Judging from the number of people, the number of elites airborne was obviously twice as many.

“Who are you? How dare you point a gun at our sick in Prince Mu's Mansion? Are you going to die?!” the deputy general glared and shouted sternly.

Looking at the entire Yanjing, there are really not many people who dare to go against Prince Mu's Mansion.

“So what about Prince Mu's Mansion? You have to get out of here within three minutes, otherwise, you will be killed!”

At this time, a cold female voice suddenly sounded in the air.

“Who? Who's talking?!”

The lieutenant looked around.

However, at this moment, a fiery red figure suddenly jumped out of the helicopter.

Without the help of ropes or any equipment, he just jumped out of thin air.

“boom—!”

There was a loud bang.

The red figure hit the ground heavily, splashing a lot of smoke and dust.

The next second, a woman wearing a red outfit, with short white hair, and an alluring appearance slowly walked out of the smoke.

It's the female war goddess Zhao Hongying!

Chapter 1583

“Red... red tassel God of War?!”

Looking at the woman with white hair and red clothes, the deputy general couldn't help but tremble, with a look of horror on his face.

As a member of the military, who doesn't know Zhao Hongying's name?

As the only female war goddess in the Dragon Kingdom, she is an existence that almost all men look up to.

His military exploits were illustrious, he was decisive in killing, and his reputation on the battlefield was even more terrifying.

For the other party to be in this position today, he had to fight his way out of a mountain of corpses and a sea of blood step by step.

“Quick! Put down the gun!”

After a brief moment of confusion, the deputy general quickly reacted and immediately signaled all his subordinates to put away their weapons.

With Hongying God of War's violent temper, if someone pointed a gun at him, he might start a killing spree.

At that time, if they are charged with the following crimes, they will die in vain.

“Zhao Hongying? Why is she here?”

Wang Zixuan and Feng Miao Zhu looked at each other in shock.

Zhao Hongying is a mountain that all women in Yanjing cannot get around.

The other party was not only of noble birth and astonishing in strength, but he also had a large number of soldiers and was favored by officials.

The most annoying thing is that Zhao Hongying is as beautiful as a fish and a goose, ranking second on the rouge list, making countless women jealous.

A strange woman who is beautiful, sassy, holds a high position, and has outstanding abilities. If you look at the whole world, you can't find another one.

Compared with Zhao Hongying's great achievements, these so-called wealthy daughters are not worth mentioning at all.

crushed in all directions.

"I was the one talking just now. Do you have any objections?"

Zhao Hongying approached majestically, staring straight at the deputy general with a sharp gaze.

"No...don't dare."

The deputy general was so frightened that he broke out in cold sweat, and said with a humble face: "I didn't know that the Lord God of War is coming. I have just offended you. Please forgive me."

"Stop talking nonsense, take your people and get out of here." Zhao Hongying said coldly.

"ah?"

The lieutenant general was slightly startled and said in a somewhat embarrassed tone:

"Sir, there are wanted criminals from our Prince Mu's Palace here. I have been ordered to come and capture them."

"Wanted criminal? Where is he?" Zhao Hongying asked.

"Over there...Lord God of War, he is a wanted criminal!"

Without waiting for the deputy general's response, Feng Miao-zhu quickly pointed at Lu Chen as if taking credit.

In her opinion, the Zhao family and Prince Mu's family are both royal families, and they should help catch the murderer.

“And these Yin family members are all accomplices, and they must all be put in prison!” Wang Zixuan added.

After hearing what the two said, Zhao Hongying didn't talk nonsense. She stepped forward and slapped them twice, which made the two of them dizzy and at a loss.

“Sir...sir, why are you beating us?”

Feng Miao-zhu covered her face and looked very aggrieved.

Wang Zixuan was also confused.

Is this woman crazy?

Don't we want to lose face if we take action if we don't agree?

“What did you just say? Say it again?”

Zhao Hongying spoke coldly, her aura so powerful that both women were breathless.

“I said...he is a wanted criminal.”

Feng Miao-zhu raised her finger again and pointed at Lu Chen.

“Snapped!”

Zhao Hongying had a cold face, slapped Feng Miao Zhu on the face again, and said coldly: "Say it again."

"Sir...I...I..."

Feng Miao Zhu was so wronged that she almost cried.

what happened?

Chapter 1584

It seems that he has not offended Zhao Hongying, so why did the other party hit him?

Taking the wrong medicine?

The grievance turned into grievance, and the anger turned into anger, but at this time she did not dare to say any more.

As for the deputy general of Prince Mu's Mansion, he was also a little happy despite being confused.

Fortunately, I didn't say much just now, otherwise I would have been slapped a few times.

"You all listen to me, I will only tell you once."

Zhao Hongying's indifferent gaze swept across the faces of several people: "Lu Chen, you are my friend, the Yin family, and a partner of our Zhao family. If you dare to talk nonsense, don't blame me for being rude! "

"What friend?!"

Upon hearing this, everyone couldn't help but widen their eyes with astonishment on their faces.

No one expected that Zhao Hongying came here because of Lu Chen.

If you can get the support of the majestic female war goddess of the Dragon Kingdom, what is the origin of this guy in front of you?

“Sir...are you kidding me? You actually know this kind of person?” Wang Zixuan couldn't believe it.

Lu Chen is just a doctor who knows how to do some tricks. How can He De climb the towering tree of the Zhao family?

“Yes, sir! He is just a stinky loser, how can you make friends with him?” Feng Miao-zhu blurted out.

“presumptuous!”

Hearing this, Zhao Hongying instantly became furious and kicked Feng Miao-zhu directly in the abdomen.

“boom!”

There was a bang.

Feng Miao-zhu flew several meters away and hit the wall hard, vomiting blood and wailing.

It was just a slap in the face before, but now Zhao Hongying is really angry.

Brother Changge who dares to insult him is simply asking for a beating!

“Miaozhu!”

Wang Zixuan was startled and quickly ran forward to help the person up.

“Hmph! Who do I need to ask you for permission to make friends with?” Zhao Hongying said coldly.

“Wow!”

Feng Miaozhu spit out another mouthful of blood, her face turned pale, and she couldn't even stand firmly.

Wang Zixuan frowned deeply and dared not speak in anger.

Although they were very dissatisfied, they couldn't afford to offend someone like Zhao Hongying, so they had no choice but to give in.

“What are you still doing here? Get out of here!” Zhao Hongying shouted coldly.

The deputy general of Prince Mu's Mansion was so excited that he didn't dare to say anything and immediately left in despair.

Although credit is important, it shouldn't cost you your own life.

After all, looking at the entire Yanjing, few people dare to challenge Zhao Hongying.

“Let's go, let's go!”

Wang Zixuan didn't dare to stay long, so she immediately helped Feng Miaozhu and prepared to leave.

“Wait a minute.”

Lu Chen suddenly called out to the two of them.

“You...what do you want to do?”

Wang Zixuan’s eyelids twitched and she was inexplicably panicked.

Lu Chen climbed up to Zhao Hongying’s high branch. If he waited for an opportunity to retaliate, they would be in trouble.

“When I go back, I have a message for your parents. The Wang family and the Feng family will soon suffer a disaster. It’s all your own fault. In addition, prepare the coffin as soon as possible. You will be able to use it soon. Now , you can get lost.” Lu Chen said coldly.

“you—!”

Wang Zixuan opened her mouth and was about to retort a few words, but she saw Zhao Hongying watching eagerly from the side. She held it back and said in a deep voice:

“Humph! Don’t think that with the support of the Zhao family, you can be tyrannical.

Let’s see! “

After saying that, she supported the injured Feng Miao Zhu and left the Yin Manor quickly.

Although today’s plan failed, it does not mean that they lost.

Even though Lu Chen has Zhao Hongying’s support, Prince Mu’s Mansion is also standing behind them. If they really have to fight, it’s still unclear who will win.

Chapter 1585

Wang Zixuan and his group left, and the Yin family’s crisis was finally resolved.

Everyone, headed by Yin Quan, looked at the indifferent Zhao Hongying with some anxiety.

They were very grateful to Zhao Hongying for the rescue, but they didn't understand why the other party did this?

Compared to the Zhao family, the Yin family is like an ant-like existence.

How could a giant from above care about the life and death of ants?

“You don't have to think nonsense, I'm helping you out of brother Lu Chen's face.”

Zhao Hongying clearly saw something and gave the answer directly.

“Brother Lu Chen?”

As soon as these words came out, everyone in the Yin family glanced at Lu Chen.

One by one was surprised and suspicious.

They always thought that Lu Chen had no power, no background, and was just a reckless warrior. Now it seems that is not the case.

To be able to make someone like Zhao Hongying call her brother, it shows that the other person is definitely not a small person.

Faced with surprise and confusion, Lu Chen didn't explain anything.

He picked up Mu Anxiang's head and placed it under Yin Tao's portrait, then lit three sticks of incense, bowed three times to the portrait, and murmured: “Yin Tao, the murderer has been executed, and all relevant personnel will pay their dues.”

In addition, I will protect your family well so that they will not be implicated, and you can rest in peace. “

After saying that, he put the incense into the incense burner and bowed deeply again.

I thought silently in my heart: Yin Tao, you are one of my few friends, and I will always remember you.

After the memorial ceremony, Lu Chen came back to his senses and looked at Yin Quan: “Uncle Yin, you may not believe in my ability, but I will try my best to make amends and eliminate all troubles for the Yin family.

Mu Anxiang’s death is just the beginning. Anyone who has a grudge against the Yin family or has evil intentions will pay the price.

Take care of yourself, I’ll take my leave now. “

Lu Chen leaned over and bowed, and then, together with Zhao Hongying, got on the helicopter and left the restaurant manor in a hurry.

Looking at the helicopter group gradually disappearing, everyone in the Yin family looked at each other with big eyes and small eyes.

No one expected that this would be the result in the end.

Wang Zixuan and Feng Miaozi came to threaten and induce, and the Yin family originally planned to settle the matter and hand over the formula.

Unexpectedly, Lu Chen showed up halfway. Not only did he teach the two women a lesson, but he also brought the head of the murderer Mu Anxiang to pay homage to Yin Tao.

Later, soldiers and horses from Prince Mu’s Mansion arrived. Just when they thought a disaster was coming, Lu Chen invited Hongying God of War to the town.

Everything happened so suddenly, making their moods ups and downs.

In the end, not only were they fine, but they were also protected by the Zhao family.

It was a blessing in disguise.

The person who made all this happen was Lu Chen, whom they had looked down upon before.

“Daughter, you have a very good sense. That boy Lu Chen is indeed a responsible and capable man, but it’s a pity that you can never be together again.”

Looking at Yin Tao’s portrait, Yin Quan burst into tears for a while.

Although the Yin family has survived the crisis, their daughter will never be able to open her eyes again.

...

At this moment, on the helicopter.

Lu Chen sat quietly, looking down at the smaller and smaller buildings below, his eyes becoming a little sad.

“Brother Changge, what should we do next?” Zhao Hongying asked tentatively.

Not long ago, when she received the news from Lu Chen, she immediately rushed over without stopping.

There is no reason, no reason, as long as Lu Chen needs help, no matter what she does, she will do it.

“Mu Anxiang’s death is a trouble after all. It is not appropriate for me to reveal my identity for the time being, so Prince Mu’s Mansion still needs your help.” Lu Chen finally withdrew his gaze.

“no problem.”

## Chapter 1586

Feng Miaozyu gritted her teeth and said: “Damn Lu Chen, you actually hurt me like this. After I recover, I will make him pay the price!”

“Miaozyu, things are different now. Now Lu Chen has Zhao Hongying’s backing. It would be too risky for us to touch him.” Wang Zixuan shook her head.

Although she wanted to cut Lu Chen into pieces, she had to consider the actual situation.

How could they have the guts to touch the person Zhao Hongying wanted to protect?

“This won’t work, that won’t work either. Should we just swallow our anger?” Feng Miao Zhu was a little unwilling.

“of course not!”

Wang Zixuan suddenly lowered her voice and said: “Mu Anxiang is Prince Mu’s adopted son and Mu Guanyu’s adopted brother. His death will definitely not be in vain. As long as we report the situation truthfully, Prince Mu’s Mansion will naturally find trouble for Lu Chen.”

“But... isn’t Lu Chen protected by Zhao Hongying?” Feng Miao Zhu was a little confused.

“Zhao Hongying and Lu Chen are just ordinary friends at best. I don’t believe that she would openly fall out with Prince Mu’s Mansion for a pretty boy.” Wang Zixuan looked determined.

Everyone has corresponding value. This guy Lu Chen has no power and power, and is not worthy of Zhao Hongying’s fanfare.

“Makes sense.”

Hearing this, Feng Miao Zhu’s eyes lit up: “I’ll call the people in Prince Mu’s Mansion right away, and then add fuel to the fire. By then, Lu Chen will definitely not get any good results!”

With that said, he took out his cell phone and prepared to file a complaint.

But before she could dial the number, her phone suddenly vibrated. It was a call from her father.

She subconsciously connected, and soon, an angry roar came over her instantly.

“You evildoer! Who have you offended? Our Feng family has suffered terribly from you!”

## Chapter 1587

The sudden roar immediately stunned Feng Miao-zhu.

She held up the phone, a little at a loss: “Dad, what’s wrong? What happened at home?”

“You still have the nerve to ask? It’s all your fault!”

The other side of the phone kept roaring: “The government has just sent a large number of troops, which not only sealed up all the properties of our Feng family, but also captured most of the key members. Now the entire Feng family is in danger. If this continues, even I will Gotta go to jail!”

“Ah? How could this happen? Our Feng family has a huge business and a wide range of connections. Who has the ability to seize our family property?”

Feng Miao-zhu’s eyes widened with disbelief on her face.

The family has been developing well and has made many allies. Even if it encounters trouble, it will not get to this point.

Seizing the family property and arresting people simply drove the Feng family to a dead end.

“Don’t you know what you did? People are trying to arrest you by name. You bastard, who did you offend?” Father Feng roared.

“I...I didn’t offend anyone?” Feng Miao-zhu looked aggrieved.

“Young Master, you’re pretending to be innocent! I don’t care who you offend, you must beg for forgiveness, otherwise the entire Feng family will be destroyed. At that time, I will be the first to take action on you!” Father Feng was very irritable.

After a rant, he hung up the phone.

Feng Miaozyu held up her mobile phone with a sad face, and she was a little unresponsive.

what happened?

Why does everything go well but unexpected disasters happen to the family?

“What’s wrong?”

Wang Zixuan next to her was also confused.

Although she didn’t know what was going on, she could hear the roar coming from the other side of the phone.

“I, I don’t know...my dad just said that the Feng family has been sealed up by the authorities and many important members have been captured. Now the Feng family is in danger and may collapse at any time.” Feng Miaozyu looked panicked. .

“Seize down? Arrest people? Is it so serious?”

Wang Zixuan frowned, feeling very strange.

The Feng family is one of the eight wealthy families. They have huge strength and deep connections. Those who can easily seize the Feng family must be a powerful person in Yanjing.

Either he is the leader of the four royal families, or he is a relative of the emperor in the Forbidden City.

“Ding ding ding...”

At this time, Wang Zixuan’s cell phone ringtone suddenly rang.

Looking at the phone call from her father, she suddenly became a little uneasy.

After hesitating for a moment, she finally chose to answer the call: “Hey, Dad, what’s the matter?”

“Zixuan! Where are you? Find a place to hide quickly. There is big trouble at home!”

Wang An spoke in a very urgent tone.

“Big trouble? What’s wrong?” Wang Zixuan became even more worried.

“The government just sent a large number of soldiers and horses to surround our Wang family. Not only do they want to seize all the Wang family’s properties, but they also want to arrest all the key members of the Wang family.

Now there is a lot of chaos in the house. Your mother and I ran out during the chaos. We don’t know what to do now. You should hide well first and we will contact you after we are out of the limelight. “Wang An lowered his voice.

“Dad, what’s going on?!” Wang Zixuan was a little anxious.

The Wang family has experienced many storms and storms, but never like today, where the troubles have reached such a level that the house has to be ransacked.

This is enough to prove that the Wang family has encountered a huge crisis.

“I don’t know the specific situation. I only know that this matter is very serious. Some of the old accounts of our Wang family have been dug up. Now people are caught and escaped. The whole family is in chaos. Please take care of yourself. , Dad still has something to do, so I’ll hang up first.”

Before Wang Zixuan could continue to ask questions, Wang An quickly hung up the phone.

She feels exactly the same as Feng Miaozyu now.

Chapter 1588

She never thought that the Wang family would be reduced to such a state one day.

The parents fled for their lives in embarrassment, the family was on the verge of bankruptcy, and a large and wealthy family fell apart overnight.

She couldn’t believe it and couldn’t accept the result.

Once the family collapses, her wealthy life will be gone forever.

The days of fine clothes, fine food, and debauchery will also become a swan song.

“Zixuan, is your family also in trouble?” Feng Miaozyu asked tentatively.

“Just like you, my house was confiscated by the authorities.” Wang Zixuan’s face was gloomy, and cold sweat kept breaking out.

“Our Feng family was quarreled, and your Wang family was also ransacked. How can such a coincidence happen in the world?” Feng Miaozyu frowned.

Overnight, the homes of two wealthy families were ransacked at the same time. It was obvious that someone was causing trouble.

Who is it?

Who has so much energy?

“Only the top leaders of the four royal families can use the government to suppress our two families.” Wang Zixuan said thoughtfully.

“You mean...the royal Zhao family?!” Feng Miao-zhu quickly reacted.

They had just been taught a lesson by Zhao Hongying not long ago, so they naturally still remembered it.

But she didn't expect that Zhao Hongying would go so far and kill them all.

“Eight or nine are inseparable. Apart from the Zhao family, I can't think of anyone else.” Wang Zixuan said solemnly.

She asked herself that she had never offended anyone in the royal family. Only Zhao Hongying today had a problem with them because of Lu Chen.

The most important thing is that with Zhao Hongying's status, it is indeed not difficult to bring down the Wang family and the Feng family.

“It's bad, it's bad... If it's the Zhao family's suppression, wouldn't we be doomed?” Feng Miao-zhu panicked instantly.

The Zhao family is the head of the four royal families and the only one.

It's really easy to deal with them.

“We underestimated Lu Chen. It seems that this guy has a close relationship with Zhao Hongying, otherwise the Zhao family would not have come forward.” Wang Zixuan gritted her teeth.

She didn't take Lu Chen's threats seriously before.

Now that the Wang family was ransacked and most of the family members were arrested, she realized the seriousness of the problem.

If this continues, the Wang family will be ruined sooner or later.

“Zixuan, what should we do now?”

Feng Miaozyu said with a sad face: “How about we apologize to Lu Chen? As long as we ask for his forgiveness and then pay some money and go out, maybe we can avert the danger.”

“Apologize?”

Wang Zixuan's face turned cold: “How can we, the daughter of a wealthy family, apologize to a stinky loser? If word spreads, how can we have the face to see anyone in the future?”

She remembered very clearly that Lu Chen's condition was that they should kneel in front of Yin Tao's mourning hall for three days and three nights to repent, and then contribute half of their family property.

Naturally, she would not accept such an excessive request.

“If we don't apologize, what can we do? We won't just watch the family collapse, right?”

Feng Miaozyu looked bitter.

She was unwilling to apologize to Chase Lu, but now, she seemed to have no choice.

“Hmph! Do you think he can let us go after we apologize? Stop dreaming! He is just teasing us. The more afraid we are, the more arrogant he becomes!” Wang Zixuan said sternly.

“But.....”

“Nothing but!”

Feng Miaozyu was about to say something, but was severely interrupted by Wang Zixuan: “We are not at the point of despair yet. Even if the Zhao family bans us, we still have a chance to make a comeback!”

## Chapter 1589

“Opportunity? What opportunity?”

Upon hearing this, Feng Miaozyu immediately became energetic.

Now that the Feng family and the Wang family are in danger, who else can save them?

“Although the Zhao family is powerful, it cannot cover the sky with one hand. Among the four royal families, is there any Mu family that can compete with them?”

Wang Zixuan said with a serious face: “You have to know that Lu Chen killed Mu Anxiang. Even with the support of the Zhao family, Prince Mu’s Mansion will never let it go. Therefore, we can completely rely on Prince Mu’s Mansion and deal with Lu Chen in turn. This way Not only can you protect yourself, but you can also take revenge, it’s like killing two birds with one stone!”

“Yes, yes! This proposal is very good!”

Hearing this, Feng Miao Zhu couldn't help but look overjoyed.

Yes, why didn't she think of this level just now?

Although they were suppressed by the Zhao family, they still had the support of Prince Mu's Mansion behind them, so there was still room for salvation.

“Zixuan, I'll call Sister Qingyao right away and ask her to find a way to help us get through the current crisis.”

Feng Miao Zhu picked up her mobile phone and was about to make a call, but was stopped by Wang Zixuan: “Wait! It may not be useful to call Li Qingyao. Although she is the adopted daughter of Prince Mu, she is still inferior to Zhao Hongying. Quite a few.”

“If you don't fight Sister Qingyao, who can you turn to for help?” Feng Miao Zhu was a little strange.

“The best person to ask for help is the jade-faced war god Mu Guanyu!”

Wang Zixuan analyzed rationally: “Since Mu Guanyu returned to Prince Mu's Mansion, the situation in Prince Mu's Mansion has changed. A group of people who had bowed before Li Qingyao all turned to Mu Guanyu, and Mu Anxiang is the most typical one. example.

And I heard that Lu Chen killed Mu Anxiang in front of Mu Guanyu today. Such a bold act was just a slap in Mu Guanyu's face.

When has the majestic jade-faced God of War been so humiliated?

I believe that Mu Guanyu now wants to tear Lu Chen into pieces!

If we perform well and help Mu Guanyu catch Lu Chen, it will definitely be a great achievement.

The pressure on the Zhao family is naturally relieved! “

Hearing this, Feng Miao Zhu couldn't help but nodded in agreement: “Yes, Zixuan, you are very thoughtful.”

I have to admit that since Mu Guanyu came back, Li Qingyao's status didn't seem to be that high.

Of course, the main reason is that Mu Guanyu holds a high position and holds a large number of troops. In terms of achievements, she is not weaker than Zhao Hongying.

Even, it needs to be stronger.

Only such a big shot can help them escape from danger.

“Don't be too happy. We don't have any friendship with Mu Guanyu. He will definitely not help in vain. Therefore, we must show our value.” Wang Zixuan said.

“Value? What value?” Feng Miao Zhu was stunned for a moment, then said with a strange expression: “Zixuan, you don't want to sell your appearance, do you?”

“What nonsense are you talking about?”

Wang Zixuan glared: “How can a person like the Jade Faced God of War be fascinated by women?”

She wanted to stick with him, but the problem was that Mu Guanyu might not like him.

I don't know how many noble daughters, licking their faces, flatter Mu Guanyu every day. Among them, there are many beauties on the rouge list, but none of them worked.

Being able to sit in the position of the God of War, his concentration is naturally far beyond that of ordinary people.

“If we don't sell our appearance, what value can we provide?” Feng Miaozyu was a little surprised.

“First, our Wang family and Feng family are both wealthy families with abundant resources in all aspects. As long as Mu Guanyu is willing to help us tide over the difficulties, we agree to become vassals of Prince Mu's palace. Although we will lose some benefits, it is still considerable. Yu has a big backer.

Second, we know Lu Chen's weaknesses and details. As long as we use them, we can help Mu Guanyu eliminate this thorn in Mu Guanyu's side. This is our value! “Wang Zixuan said it succinctly.

“It makes sense.” Feng Miaozyu nodded repeatedly and said, “Without further delay, let's go find Mu Guanyu now!”

“But your injury...” Wang Zixuan hesitated.

## Chapter 1590

“Don't worry, I won't die for the time being. Such a big thing happened and I can't recuperate here. I'll go there in a wheelchair later. This will be more sincere.” Feng Miaozyu said.

“Okay, then let's go to Yumian Villa.”

Wang Zixuan stopped trying to persuade her and quickly called for someone to bring a wheelchair and lifted Feng Miao Zhu up.

Then the two of them sat in the car and drove straight to Fengyu Villa without stopping.

...

It was late at night.

At this moment, inside Yumian Villa.

Mu Guanyu was sitting in the study, looking at the information in his hand with a serious look on his face.

Ever since Lu Chen made a big fuss at Yumian Villa during the day, he immediately mobilized all his resources and began to secretly investigate the other party's identity.

After half a day's work, the results have been achieved.

According to the information, Lu Chen came from Jiangling and was married to Li Qingyao.

In the beginning, Lu Chen was an ordinary person who only knew some medical skills.

However, since the divorce, Lu Chen seemed to be a different person and began to rise rapidly.

He has dabbled in medicine, martial arts, and business, and all of them are a blockbuster.

Especially in terms of martial arts, there is a record of killing the leader of the Jiangnan martial arts alliance.

But the strange thing is that this person does not love fame and wealth, and he does not have the arrogance of young people at all.

Although he rose quickly, he has always kept a low profile and never exposed his identity easily.

If he hadn't used special agencies, he wouldn't have been able to find this relevant information.

“Weird...so weird.”

Looking at Lu Chen's photo, Mu Guanyu squinted her eyes thoughtfully.

“Do you have any questions, sir?”

The confidant standing nearby asked tentatively.

“Lu Chen seemed to appear out of thin air. He had been unknown before the divorce. After the divorce, he seemed to have opened up the Ren and Du lines. He became unstoppable and became a powerful martial arts master. Everything before and after was too... Strange.”

Mu Guanyu tapped her fingers lightly on the table, as if she was asking, but also seemed to be deep in thought.

After a moment, he seemed to have thought of something, and suddenly asked: “Oh, by the way, is this information incomplete?”

“Sir, we have already investigated everything we can.” The confidant replied.

“That’s wrong! The information on this only covers things that happened within ten years. What about ten years ago? What was Lu Chen doing?” Mu Guanyu said in a deep voice.

“Ten years ago?” The confidant was slightly startled: “Sir, when you said that, I remembered that this person’s information from ten years ago was all blank, as if he didn’t exist.”

“Doesn’t exist? How is it possible?”

Mu Guanyu frowned: “How come the official intelligence agency of the Dragon Kingdom cannot investigate a person’s details? Unless... this person’s identity is so important that all the information and files have been destroyed!”

“No way?”

The confidant was shocked: “Looking at the entire Dragon Kingdom, there are only a handful of people who can make the official destroy files, and each of them is an unparalleled national scholar. Ten years ago, Lu Chen was only fifteen years old, how could he have such ability? ?”

“Others may not be able to do it, but there is one person who can definitely do it!” Mu Guanyu’s eyes suddenly became fiery.

“Who?” the confidant asked.

“The Qilin son of the Lu family—Lu Changge!”
