When His Eyes Opened Chapter 3165-Lucas: "Don't shout!"

Niko: "Hahaha! I have great confidence in you! Hazel likes you so much, she will definitely talk to you! Hazel has been lost for so many years; her family must be very guilty of her. In terms of choosing a mate, even her family If you are not satisfied, you will accommodate her. If you don't believe it, let's make a bet!"

Lucas: "I won't make a bet with you; please leave quickly! I'm tired!"

Niko called Lucas up early this morning. Lucas and Hazel spent the day playing outside and were busier than going to work.

Niko: "Men, don't cry tired!"

Lucas: "Go away! You are not allowed to come to my house so early tomorrow! You are not allowed to come to my house so early in the future!"

Niko: "Okay! I'll come to you after I meet your uncle, okay?"

Lucas: "I told you not to call my uncle!"

Niko: "Okay, I won't shout anymore."

...

Thopiavelle airport.

Hayden and Joanna walked out of the airport.

Joanna held Hayden's arm and said, "When I see Hazel later, you must not talk nonsense. You must restrain your emotions."

Hayden: "Why are you so worried?"

Hayden's tone was quite calm.

Joanna swallowed: "You have been suffering from insomnia for the past two days. When you don't sleep well, you can easily lose control of your emotions. I'm afraid that when you see Lucas, you can't help but say irreparable words."

Hayden: "That's not true. Although Lucas can't catch my eyes, he hasn't married Hazel after all, and he hasn't done anything to hurt Hazel. I won't do anything to him."

Joanna: "Don't dislike him too much. I listen to Hazel. Lucas has a very strong self-esteem."

Hayden looked at Joanna and said, "Did Hazel ask you to tell me this?"

Joanna shook her head, "Hazel should have quite a lot of trust in you; she thinks you will definitely not be able to bully Lucas."

Hayden took a deep breath: "Joanna, why are you turning your elbows out? You've been helping that kid, Lucas, talk overtly and secretly. Do you think I can't hear it?"

Joanna smiled brightly and said, "Husband, I think you shouldn't despise others just because of their poor conditions. You see, I am not good enough for you, but no one in your family despises me. I just can compare with Lucas."

"Can it be the same? I can support you, but Lucas has no ability, so Hazel will have to suffer with him." Hayden was not a feudal. If someone else's sister followed a poor boy, Hayden promised to be able to bless others calmly.

"Let's talk about it after we meet Lucas! Now that he's starting his own company, it means he's still capable." Joanna was in a very good mood.

The two got into the taxi. Joanna took out her mobile phone and sent a message to Hazel.

Hazel was waiting in the hotel lobby at this time.

After seeing the news about Joanna, Hazel immediately called Lucas nervously: "Lucas! My brother is here! Why don't you come over and have dinner with them?"

Lucas: "Your brother didn't call me, did he? I'll go there when he wants to see me!"

Hazel: "I think it's better for you to take the initiative."

Lucas's heart beat rapidly.

The nervousness spread to all limbs in an instant.

“Are you sure?” Lucas asked.

“I’m sure! Come to the hotel quickly! Let’s have dinner together later! Otherwise, I’ll face my brother alone; I’m afraid!” Hazel explained the real reason for calling him here.
