

LET ME SEE THE REAL YOU

Chapter 11

Mu Yangyang had never sleepwalked.

She turned around to look at him. With her face flushed red, she said “You.....”

“I'm injured.” Mo Chenhao said coldly as he turned to look at her.

Mu Yangyang had never shared a bed with any men. But his aura was too strong that she dared not retaliate.

Her lips formed a thin line as she pulled the blankets away nervously. She was just about to move down from the bed when the man beside her grabbed her by the wrist.

Mo Chenhao's gaze landed on her face and looked at

her curiously.

“Why are your arms so fair, yet your face looks so dull?”

Mu Yangyang retracted her hand in shock. Then, she said softly, “I was born this way.”

Then, she jumped off the bed like a rabbit and rushed to the bathroom.

Behind her, Mo Chenhao's eyes shone with interest.

Meanwhile, in the bathroom, Mu Yangyang looked in the mirror at her waxy complexion. A hint of self-mock flashed across her eyes.

She took out the makeup remover from the cupboard under the sink and started removing her makeup.

A few minutes later, the reflection of a beautiful woman stared back at her. She had fair and clear skin, with glimmering eyes and white teeth.

After her graduation, she had rented a house away from her family. If she did not remove her makeup every day, she would have forgotten what she actually looked like.

A mother should be happy that her daughter looked beautiful.

However, when she was young, Xiao Chuhe often reprimanded her for stealing Mu Yumei's limelight. Thus, she never bought pretty clothes for her.

That time, she did everything that she could to please Xiao Chuhe and make her happy.

Her grades dropped from the first to the last, and she

became an ugly girl with no friends instead of the popular girl she once was...

However, Xiao Chuhe had never even looked once at her.

She did not want to believe that Xiao Chuhe had never loved her.

Half an hour later, she had disguised herself and came out of the bathroom.

Mo Chenhao was leaning against the bedrest while looking at his phone. His expressionless face seemed quite attractive for some apparent reason.

She thought for a second before she said, "I'm going out. You should call someone to send you back to the Mo family."

However, Mo Chenhao remained silent.

Mu Yangyang did not really care at all. She just took her bag and went out the door.

She had rushed to quit her previous job because Xiao Chuhe had commanded her to return home for marriage.

Now, she had to look for a new job to support herself.

The whole morning passed in just a blink of an eye.

Just as she was waiting for the bus at the bus stop, a black car stopped in front of her.

The window wound down, and a young man appeared. He was smiling gently at her.

“Yangyang, where are you going?”

Mu Yangyang's eyes gleamed as she could barely hide her joy, “Shen Haochu? Why are you here?”

“Get on first. I can't park here for too long.” Shen Haochu said as he opened the door for her.

Mu Yangyang had just closed the door when she heard Shen Haochu said, “I'm on my way to have lunch with Yumei. Let's eat together.”

He has a lunch appointment with Mu Yumei?

She should have known.

For the longest time, Mu Yumei and Shen Haochu were said to be a match made in heaven.

However, since the two had never been together, she could hide her feelings and continued being friends

with Shen Haochu.

She answered him with a stiff smile.

“I still have things to do, so I won't be...”

“We've never had lunch for a long time. Come with me.” Shen Haochu's attitude was firm, and he left no room for her to reject him.

Soon, they reached the restaurant.

Mu Yumei had already arrived. And when she saw Mu Yangyang and Shen Haochu coming in together, her expression turned cold.

However, Shen Haochu did not realize her change of mood.

“Yumei, I met Yangyang on my way, so I brought her

along. I hope you don't mind.”

Mu Yumei put on a smile on her face and said softly, “Of course not.”

“I need to use the bathroom. Talk amongst yourselves first.” Shen Haochu smiled and left.

The moment he left, the smile on Mu Yumei's face disappeared.

“The handicapped in Mo family can't satisfy you? Is that why you're out here trying to seduce Haochu?”
