

I am a quadrillionaire chapter 2718—He would also never ght back.

At this time Lyle could no longer bear the torment in his heart.

With a smack, he knelt directly in front of David.

Thud! Thud! Thud!

While kowtowing, he pleaded, “Master David, forgive me! Master David, forgive me! I was a snob and failed to recognize

you. Please be magnanimous and spare me. I will never forget your grace in this life!”

David ignored the two of them, turned to Evie, and asked, “Miss Evie, what do you think we should do with these

people?”

“David, forget it. Let’s go! Ignore them,” Evie replied softly.

Of course, she did not want to make things worse.

This was not a good thing for the Elves.

“Okay, I’ll listen to you,” David said.

Since Evie, the person involved, said she would not pursue the case, and since Ambrose and Lyle also sincerely

recognized their mistakes, David was not interested and made no intention of pursuing it further.

In any case, they did not cause any harm to him and Evie, this lesson would suffice.

David still could not bring himself to kill someone for such a trivial matter.

He was not that evil.

“For Evie’s sake, I’m going to let you live this time! It’s best not to let me see you in the Elven Forest, otherwise, you might

be the target of someone who is in a bad mood, do you understand?” David asked Ambrose and Lyle expressionlessly.

“We understand! We understand! Master David, please rest assured that we will disappear without a trace and will never

appear in front of you again,” Ambrose and Lyle replied at the same time.

David looked at the two people, as well as their families behind them.

Then, he said two words again.

“Get lost!”

These two words were no different than the previous ones.

No one felt anything when he said that the last time.

However, this time, it was completely different.

His words were like a clap of thunder in everyone’s mind, causing damage to their state of mind and making them all spew

out a mouthful of blood.

“Pfft!”

Then, they all raised their heads and looked at David with shocked expressions.

How powerful!

Dozens of people were seriously injured with just two words.

One must know that those who could come to the Elven Forest and participate in the Elves’ sacri cial ceremony were all

elites from various forces.

However, they could not resist at all when facing David.

Moreover, David looked so young.

So, it seemed that Ambrose’s guess was correct.

David must have a monstrous background behind him.

“Miss Evie, let’s go!”

David took Evie’s hand and moved forward.

Evie followed David with a blush on her face, which made her look even more stunning paired with her beautiful face.

Ambrose and the others who were originally blocking them all crawled to the side to make way for them.

Everyone breathed a sigh of relief once David and Evie disappeared.

During those nal moments, David put too much pressure on them.

They only felt such pressure when they were in front of their grandmasters.

Ambrose felt very glad.

Fortunately, he guessed David’s identity early and made amends in time.

Otherwise, he might not be able to walk out of the Elven Forest.

Not only that, but he might also bring disaster to the Loughy family.

Who would have thought that a boy with a close relationship with an Overlord would appear in the Elven Forest?

It seemed that after returning this time, he had to tell his family this news so that they could change their attitude toward

the Elves.

With David’s help, the Elves were bound to become Leila’s most popular force.
