

# An Understated Dominance By Marina Vittori

## Chapter 1890

### Chapter 1890

The God-Destroying Poison is fired using a concealed weapon, with an effective range of three meters.

Within three meters, it is almost certain to hit if caught by surprise.

So when Dustin Kate took out his hidden weapon and attacked from the back, the poisonous needle carrying the God-Destroying Poison penetrated Ji Yuanzun's body easily without any hindrance.

"Huh... finally done."

Dustin Kate breathed a long sigh of relief, as if he had completed some important task.

On the other hand, Ji Yuanzun was completely confused.

Turning around in shock, he looked at Dustin Kate with a wicked smile on his face, somewhat unbelievable.

"Why?"

Ji Yuanzun's eyes widened, his face full of shock, astonishment, confusion, and deep doubts.

He really didn't understand that Dustin Kate had already broken with the West Lucozia Prince's Palace and joined the Dragon Protection Pavilion. He had a bright future, so why would he betray him?

"Lord Pavilion Master, I'm really sorry. I am also a member of the Rhys Family. I can't bear to see the Rhys Family destroyed."

Dustin Kate said with a wicked smile: "Besides, Dustin is my nephew. Blood is thicker than water. How could I bear to frame him?" For him?"

"So, you have been planning it from the beginning to the end, you are all acting? What betrayal, what leaks, are all fake?" Ji Yuanzun asked in shock.

"If I don't do this, how can I win your trust? If I don't gain your trust, how can I succeed now?"

Dustin Kate said confidently: "Master Pavilion Master, you are very smart and very cautious. In order to kill you, we had to stage a divorce plan. Although the process was a bit tortuous, fortunately, the result was not bad."

"You...you..."

Ji Yuanzun gritted his teeth in anger and grimaced. His eyes are about to burst, and the veins on his neck are bulging.

As his energy and blood surged, the God-Destroying Poison in his body accelerated and his whole body spurted out a mouthful of black blood with a "pop" sound.

In an instant, Ji Yuanzun was like a deflated rubber ball, his momentum was sluggish and he was on the verge of collapse.

The body protective mask, which was already full of cracks, exploded on the spot with a "bang".

Albert's Vajra Prajna Palm was the first to press down.

Ji Yuanzun didn't have time to think, he immediately mobilized the Gangqi in his body, slapped his palm upwards, and faced Albert head-on.

"Bang!"

There was a loud noise.

Albert was ejected dozens of meters away, while Ji Yuanzun spat out a mouthful of black blood again, and his face became extremely pale.

Just after repelling Albert, the next second, Dustin's Sky Sword had pierced Ji Yuanzun's chest.

"Plop!"

The Sky Sword pierced through the chest and came out from the back, inflicting a heavy blow to Ji Yuanzun.

"Ah~!!"

Ji Yuanzun roared, and all the Grandmaster internal energy in his body spurted out, carrying a terrifying impact.

"Boom!"

Dustin was blown away, and even the Sky Sword came out of his hand.

"Go to hell!!!"

Ji Yuanzun's eyes were red, his beard and hair were spread out, and he roared again and again.

The mask on his face suddenly exploded, revealing a ferocious and terrifying face.

The gentian red flame spear in his hand danced crazily, and sharp spear light shot out indiscriminately in all directions.

Every strike contains the power to destroy the world.

At this moment, Ji Yuanzun was completely in a state of rage, and his strength skyrocketed.

If Ji Yuanzun had some reservations before and didn't want to get hurt, now he was planning to fight to the death.

"Back away! He has been poisoned by the God-Destroying Poison and can't last long!"

Dustin gave the order and quickly distanced himself to prevent Ji Yuanzun from retaliate before his death.

Albert and Dustin Kate did not dare to get too close, so they retreated and waited to see what would happen.
