

An Understated Dominance by Marina Chapter 1918

An Understated Dominance by Marina Chapter 1918

Chapter 1918

Dustin and Margaret were watching a show, but the girl with the ponytail suddenly changed direction and pointed the finger at the two of them. They were a bit unable to react for a while.

"That's right! They have more than a dozen dishes, all of which are delicious and delicious. Look at what's on our table. It's just a pile of garbage!" "I don't care!

Change it for us immediately, otherwise don't blame us for getting mad!"

Everyone started shouting, and while they were talking, they threw the food on the table to the ground, leaving a mess all over the floor.

"Dear fellows, the store's capacity is limited and it really can't replace these famous dishes." The waiter said with a sad face and was very embarrassed.

"Can't change it? Do you think we can't afford it?" The hook-nosed man had a gloomy look on his face.

"What a dog looks down upon others! Are you going to treat us differently? Do you know who we are? We are disciples of the Flying Snow Sect, which is famous in the world. If you piss us off, we will destroy your store in a minute!" The girl with the ponytail He shouted fiercely.

"Misunderstanding, it's all misunderstanding..." The waiter was frightened and explained again and again: "These famous dishes are cooked by the chefs brought by the guests. We just provided the kitchen." "What? Your own

cook?" Are you kidding me? Who brings a cook with them when they go out?" The girl with the ponytail looked suspicious.

People who come to the Desert of Death are basically exploring and hunting for treasures, and they bring the cook with them. What do you mean?

"It's true. I saw it with my own eyes. I dare not lie to you." The waiter said confidently.

Hearing this, the Feixue Sect disciples couldn't help but look at each other, and finally turned their attention to Dustin and Margaret.

"Hey, are these dishes really made by your own people?"

The girl with the ponytail stepped forward and asked condescendingly.

"That's right."

Margaret nodded and said, "I can't get used to the food outside, so I brought my own cook."

"Really?"

The girl with the ponytail took a closer look at the dishes on the table and couldn't help but marveled: "Longjing Shrimp, squirrel mandarin fish, Kung Pao chicken, Dongpo pork, Buddha Jumping over the Wall, etc... Can the two of you finish eating so many expensive dishes?"

He said without waiting for the two of them to respond. She directly picked up the spare chopsticks, picked up a piece of mandarin fish and put it in her mouth.

The next second, her eyes lit up with a look of surprise on her face: "It's really delicious!"

"Elder brother, there are good things here. Come and try it!" The ponytail girl turned around and waved.

Without caring about the emotions of Dustin and Margaret, he directly called all his classmates over.

When everyone saw the delicious food on the table, their index fingers were full of excitement.

They had come all the way and were hungry for a long time. Now that they have so many delicious food in front of them, they are naturally very happy.

"You two, we've covered the food for this table. You can go eat somewhere else." The hook-nosed man took out a gold bar from his arms and threw it on the table, looking like a rich man.

"Huh?"

Dustin raised his eyebrows and said with an idiot look: "Is there anything wrong with you guys? You just came here uninvited and you have to drive us away. Do you really think you run this hotel? "

If these people had a better attitude, it wouldn't be a big deal to have a drink or a meal together. They would be able to make friends."

But these people looked so arrogant and didn't take them seriously at all, so he was naturally very unhappy. "What? Too little? Okay, I'll add more."

The hook-nosed man was still arrogant. As he spoke, he took out another gold bar from his arms and threw it on the table. He said coldly: "Is that enough now?" "That's it. This? I'm sending beggars away!"

Dustin waved his hand and flicked the two gold bars away without giving a single glance.

"Bold!"

"Presumptuous!"

"That's unreasonable!"

Dustin's actions caused the Feixue Sect disciples to shout angrily.

As a well-known sect in the world, they are highly respected no matter where they go, and no one dares to go against them.

This kid in front of me is so shameless!

“Hey! What’s your attitude?!”

The ponytail girl was furious, slammed the table, and shouted: “Do you know who we are? We are disciples of the Feixue Sect, one of the three sects in the southwest, looking at the entire world. , No one dares not to give us face!”

“Feixue Sect? So what?” Dustin had no expression on his face and drank to himself.

“How’s it going? Huh! To tell you the truth, we are sure to eat the food on today’s table. If you know what’s going on, pick up the gold bars and get out. Otherwise, don’t blame us for being rude!” the girl with the ponytail threatened sternly.

“Really? How can you be so rude?” Dustin sneered.

He has seen many arrogant and domineering people.

But this was the first time that they had to fight over a meal.

“Qiang!”

The girl with the ponytail didn’t waste any time. She pulled out her sword and threatened sternly: “I’ll give you one more chance. Get out of here right now, or I’ll stab a few holes in your body!” “I advise you to be the best

. Put the sword away, because if you do it, I won’t show mercy to you, and you might be beaten into a pig’s head.” Dustin said seriously.

“You’re looking for death!”

Hearing this, the girl with the ponytail finally couldn’t bear it anymore, suddenly raised her sword and stabbed Dustin.

This sword is so fast and accurate that ordinary warriors may not be able to block it.

However, Dustin remained motionless, did not dodge or dodge, he picked up the wine glass with one hand, raised his head and drank.

The other hand easily clamped the blade of the sword as it struck.

The whole process was very smooth and done in one go, as if it had been rehearsed beforehand.

And from beginning to end, Dustin didn't look directly at the ponytail girl.

"Huh?"

The sudden change made the girl with the ponytail stunned for a moment.

She really didn't expect that her full blow would be caught by Dustin with two fingers.

How can it be? !

Although she is not outstanding in the sect, she is definitely not something ordinary warriors can compete with.

The person in front of her is about the same age as her. Normally, she should be able to win easily as she comes from a famous family. Why is she being suppressed now?

Where does this guy come from?

"With this little strength, you still dare to show off your power? It seems that you have never experienced a beating from society." Dustin sneered.

How can a warrior with inner strength who has not even broken through the innate ability have the courage to be so arrogant?
