An Understated Dominance by Marina Chapter 1971

Chapter 1971

“Captain Leo, can you tell who the two waves of people in front are?” Margaret did not take action directly, but waited to see what happened and asked about the situation.

“The large group of people, judging from their clothing, should be members of the Fantasy Sea Alliance.” Leo Alexander took a closer look and quickly saw the clues.

“Illusion Sea Alliance? What’s the origin?” Margaret asked.

“The top three sects in the southwest are the Wandering Dragon Sect, the Golden Blade Sect, and the Feixue Sect. Under these three sects, there are six powerful sects, and the Fantasy Sea Alliance is one of them.” Leo Alexander narrowed his eyes, explaining: “It’s just that the Illusion Sea Alliance is different from ordinary sects. Their style of conduct is a bit too extreme, so their reputation is not very good. The people inside are also a mixed bag, with everything.” After hearing this, the man next to him, Kevin Snow, couldn’t help but snort: “Humph! To put it bluntly, the Fantasy Sea Alliance is a group of warriors with corrupt morals and low moral character. They are an alliance that talks about benevolence and righteousness on the surface, but in fact secretly specializes in robbing families and homes. They are a group of scum in the world!”

“So that’s it.” Margaret nodded, and then asked: “Who are the people who were besieged?”

“These people are wearing gorgeous clothes, and there are no obvious marks on them, so you can’t tell.” Leo Alexander shook his head. Generally, disciples of the sect will wear uniform clothes when going out. In this way, when you become famous, you can be better recognized by others.

“Wait! Senior Brother, do you think those people look familiar?”

At this time, a disciple of the Golden Blade Sect suddenly said: “The woman in red seems to be Zhang from the Yuanyang Sect. Senior sister!”

“Yuanyang Sect ?”

Kevin Snow raised his eyebrows and looked forward again. After looking carefully for a while, his expression suddenly changed and he exclaimed: “It’s really Zhang Qingqing!”

“Brother Kevin, is there something inside your friend?” Margaret asked tentatively.

“More than just friends? That Senior Sister Zhang from the Yuanyang Clan is my senior brother’s fiancée!” The disciple of the Golden Blade Clan said in surprise.

“Fiancée?”

As soon as these words came out, everyone turned their attention. It’s really not an ordinary fate to meet in this ghost place.

“Everyone, I’m sorry, I have to rescue you today!”

After confirming his identity, Kevin Snow pulled out his sword without saying a word and pointed forward: “Disciples of the Golden Knife Sect, follow me!”

” Fall, take the lead and kill forward. Naturally, he couldn’t just sit idly by when his fiancée was in danger.

“Kill!”

Seeing the senior brother coming forward, the disciples of the Golden Sword Sect did not hesitate at all, and immediately drew their swords and joined the battle. The reputation of the Fantasy Sea Alliance is already very bad. As righteous people, they have long been dissatisfied with it. Now that the elder brother’s fiancée has been bullied, it is simply too old!

“Miss Margaret, the Golden Blade Sect and the Yuanyang Sect have always been on good terms, and marriages are often held between the two sects. Kevin’s fiancée is the senior sister of the Yuanyang Sect, Zhang Qingqing.” Leo Alexander explained simply.

Understood.” Margaret nodded, then made a gesture and ordered: “Team 1 and 2, go immediately to support.”

“Yes!”

After receiving the order, the two escort teams immediately drew their swords and began to fight the disciples of the Golden Blade Sect, supporting them against the Illusion Sea Alliance.

The sudden force caught the members of the Illusion Sea Alliance off guard. Seeing that victory was in hand, they didn't expect someone would conduct a sneak attack.

“Who are you? How dare you meddle in other people's business? Are you trying to save your life?” A thin middle-aged man shouted angrily in the Illusion Sea Alliance camp.

“You bully the weak and bully the weak. If I don't like it, I'll take care of you. If you know better, get out of here. Otherwise, don't blame me for being ruthless!” Kevin Snow shouted.

“Those who don't know whether to live or die! Do you know who we are? We are from the Illusion Sea Alliance!” the middle-aged man shouted.

“What about the Fantasy Sea Alliance? Do you think our Golden Blade Sect is afraid of you?!” Kevin Snow said angrily.

“What? Are you from the Golden Knife Sect?” The middle-aged man's pupils shrank and his expression became solemn. Golden Blade Sect is one of the three major sects in the southwest, somewhat stronger than the Illusion Sea Alliance.

“Elder Huang, judging from the logos on their clothes, they should be disciples of the Golden Blade Sect,” A member of the Illusion Sea Alliance whispered to her companion.

“Since you know the name of our Golden Blade Sect, why not retreat quickly!” Kevin Snow shouted sharply.

“We, the Fantasy Sea Alliance, and the Golden Blade Sect have always been on the same page. Why do you want to meddle in other people's affairs and become enemies of our Fantasy Sea Alliance?” the middle-aged man asked in a deep voice.

“Hmph! The ones you just besieged were the disciples of the Yuanyang Sect, and the Yuanyang Sect is an old friend of our Golden Sword Sect. If you want to deal with the Yuanyang Sect, you will have to fight against our Golden Sword Sect!” Kevin Snow stood with his sword horizontally, with a strong momentum.

“Okay! For the sake of your Golden Blade Sect, I can let them live, but...” As he said that, the middle-aged man suddenly changed the subject: “They must take what they just snatched from us. The treasure must be returned!”

“You fart!” Hearing this, a besieged woman in red yelled: “That is clearly the treasure our Yuanyang Sect found. It was your Huanhai Alliance who was despicable and tried to take it by force. Take it!”

This person is none other than Zhang Qingqing the great disciple of the Yuanyang Sect. She is also Kevin Snow’s fiancée.

“Stop talking nonsense!” A member of the Illusion Sea Alliance shouted impatiently: “You have only two choices, either hand over your treasure, or be torn into pieces by us!”
