An Understated Dominance by Marina Chapter 1983

### Chapter 1983

“Despicable and shameless? Hahaha...”

Thomas Grey shook his head and smiled: “Kevin Snow, you are the chief disciple of the Golden Blade Sect after all, but you would say such a thing. I am really disappointed in you.” Looking at

Kevin Snow’s deflated look, Not to mention how happy he felt.

“Senior Brother Thomas, as the saying goes, first come, first served, we occupy this place, you should find another place.”

At this time, Lily Zhang couldn’t help but speak.

The more people hiding treasure at the bottom of the lake, the worse it is for her.

If she can’t compete, or is defeated first, then she will have nothing to gain.

“Oh? It turns out to be Junior Sister Lily from the Yuanyang Sect. I haven’t seen you for two years. You have become more and more beautiful.” Thomas Grey said with a smile.

“Thank you for the compliment, Senior Brother Thomas.”

Lily Zhang smiled slightly: “Senior Brother Thomas, our Yuanyang Sect discovered this place first. Can you give me some face, Junior Sister?”

“Junior Sister Lily, it’s not that I don’t give you face, it’s just that this is our Senior Sect. There is nothing I can do about the mission.”

As Thomas Grey spoke, he suddenly changed the topic: “Of course, if the Yuanyang Sect is willing to make good friends with our Flying Sect and betroth Junior Sister Lily to me, I can choose to give in.”

Hearing this, Lily Zhang couldn’t help but frown slightly, but soon returned to normal.

On the contrary, Kevin Snow next to him, like a cat whose tail had been stepped on, became furious instantly and cursed: “Thomas! What do you mean by stepping on the horse? Are you here to make people disgusting? Do you believe it or not, I will chop you up!”

Every sect in the southwest knows that the Golden Blade Sect and the Yuanyang Sect have been married, and Lily Zhang is his fiancée.

When Thomas Grey said these words, it was clear that he was humiliating people.

“Chop me? Hahaha...”

Hearing this, Thomas Grey smiled, glanced up and down, and said jokingly: “Kevin Snow, look at what you look like now, can you still beat me? Even if I suffer, Even if you’re injured, it’s still more than enough to take care of you!”

Kevin Snow was furious, raising his knife and preparing to step forward.

“Wait!”

Lily Zhang immediately stretched out her hand to hold Kevin Snow, and said calmly: “Senior Brother Kevin, they have a large number of people. If you go up like this, you will easily suffer a loss.” It would be okay if it was just the Flying Sect, but the problem is... There was a Youlong Sect watching eagerly from the side.

Even though Kevin Snow was very powerful, he could not defeat the elite disciples of the two sects.

“This person is really annoying!” Kevin Snow gritted his teeth, looking indignant.

“Brother Thomas, stop messing around with them and talk about business directly.”

At this time, with a cold and forbidding look on his face, he couldn’t help but speak.

Damn, at the critical moment of treasure hunting, I was still thinking about picking up girls. I really couldn’t tell the importance.

“Brother Marcus, be patient. I’ll go up and negotiate.”

Thomas Grey smiled slightly, walked slowly to Margaret, and said, "Miss Margaret, you are the leader of this team, so we plan to talk to you. A deal."

"Oh? What deal?" Margaret looked calm.

"We are all here to hunt for treasures. There is no need to go to war. From what I see, we might as well cooperate and make money together." Thomas Grey said with a half-smile.

"What kind of cooperation method?" Margaret did not refuse directly.

"It's very simple. We have three parties here. We can hunt for treasures together. After we get the treasure, we will divide it into three equal parts. No one will suffer." Thomas Grey said with a smile.

If it were in the past, he would naturally not bother to say such words.

But now, Margaret has a large number of people on her side, and there is also a Desert Dragon Trading Company in charge.

It would obviously be unrealistic for them to rob by force, so the best way is to cooperate.

"Divided into three parts?"

Margaret raised an eyebrow: "You mean, one part for Flying Sect, one part for Youlong Sect, plus one for me?"

"That's right." Thomas Grey nodded.

"What about the Golden Blade Sect and the Yuanyang Sect?" Margaret asked.

"The Golden Blade Sect and the Yuanyang Sect combined are just a few people, so what qualifications do they have to share the treasures?" Thomas Grey curled his lips with disdain on his face.

While speaking, he deliberately glanced at Kevin Snow with a hint of provocation.

“What are you talking about?”

Kevin Snow glared and yelled, “Who do you Flying Sect think you are? Why do you look down on our Golden Blade Sect?”

“I’m just telling the truth.”

Thomas Grey said with a joking face: “Look See what role the old, weak, sick, and disabled around you can play? What qualifications do they have to compete with our Flying Sect?”

“Damn you! You dare to say that our Golden Blade Sect is not good? Do you have the guts to fight with me?!” Kevin Snow cursed.

“You clown, I’m too lazy to talk to you.”

Thomas Grey shook his head, then looked at Margaret: “Miss Margaret, what do you think?”

“I don’t think it’s appropriate.”

Margaret said lightly: “Yes. If it is divided, it will naturally be divided equally by everyone, how can we favor one over the other?”

She knew very well Thomas Grey’s little thoughts. On the surface, it seemed to be cooperation, but in fact, it was to sow discord and divide their internal forces.

It’s just that this method is really unattainable to her.

“Miss Margaret, natural selection and survival of the fittest, giving you a share is already the biggest concession we have made. It is absolutely impossible to give it to others!”

Thomas Grey’s face became serious.

This is a world where the weak prey on the strong. Whether it is the Golden Blade Sect or the Yuanyang Sect, with the current situation, they are not qualified to be on an equal footing with them.

Naturally, he couldn’t accept this result.

“Since it’s not possible, let’s not talk about it.” Margaret refused.

“Huh?”

Thomas Grey frowned and said with a gloomy face: “Miss Margaret, our Flying Sect and Youlong Sect are the two largest sects in the southwest. If you become our friends, you will gain nothing. But if you become our enemy, you will only die!”

“You have to weigh the consequences yourself!”

At the end, it was a blatant threat.
