

Married At First Sight Chapter 2819-Kevin continued: “The heavy burden of Queen Enterprise is on her shoulders. She’s already too exhausted. Her worries also extend to the events in your life. I feel bad for your sister, even if you don’t feel the same way. I hope your sister is happy and carefree.”

Hugh: “Brother Kevin, major events in life cannot be rushed. I haven’t met the person I like yet; how can I think about it? I can’t just make do with it, right?”

His parents and sisters were all worried about his life events, and now he has a prospective brother-in-law to help him get married.

Hugh had a big head. He wasn’t even thirty yet.

Kevin said, “You have so many confidantes; there must be one who is suitable for you. You can choose one from them. If you don’t want to choose, I will help you keep an eye on it to see if there is anyone suitable and introduce it to you.”

Hugh said to him, “Brother Kevin, it’s not me who wants to say something to you; it’s a fact. You still want your grandma to help you pick a wife. I dare say you don’t know ten young women.”

Even introduced it to him.

Kevin had a good grandma.

Kevin smiled and said, “I know a lot of young women, but I don’t know much about them. If you are willing, your sister and I can help you keep an eye on them in the future.”

Hugh thought of Hayden’s coldness, and Kevin only had Hayden in his eyes. He really asked her to help him introduce a girlfriend. He would never have to get married in his life because no one could meet his requirements.

Hugh said, “Thank you, Brother Kevin. I thought about it. Since I am asked to choose a wife, I should find one myself. She must be someone I like. I may not like what you like. It’s not like there are no good confidantes of mine. It’s just that they know that I have a lot of confidantes, so they might not be willing to develop a relationship with me because they think I’m a philanderer.”

He really didn't care, but he also liked to be with beautiful women. He just played with them and had no feelings for them, nor had he made any promises to them, nor had he ever taken advantage of them.

But in the eyes of others, he was just a playboy, which was really unfair.

"Then you choose for yourself. If there is one of your confidantes who is suitable for you, then you can cut off contact with the others and prove it to her with facts. Let her know that you are willing to give up the entire forest for her. With your glib tongue, it's easy to chase your wife."

Hugh: "I'm not glib. If I want to be glib, I'm not as good as you, Brother Kevin."

Kevin smiled and said, "I am eloquent. You have nothing else to do. Just go back to work."

"Brother Kevin, please don't let my parents listen to that recording. They will definitely take my skin off if they hear it. I don't even know what my parents think. I am their biological son, but they love you more than me, and I seriously doubt that they gave me to you as a gift."

Kevin smiled and said, "As long as you take over your sister's job and give your sister half a month's leave, I will delete that recording. Also, you should fall in love early and find a girlfriend, so your sister doesn't have to worry about you; otherwise, I will give the recording to Uncle Queen."

Hugh felt that Kevin was too treacherous.

Well, seeing that Kevin truly loved his sister and was sincerely doing it for his own good, he would not argue with him anymore.

Hugh walked out of the president's office angrily.

Hayden's secretary saw him coming out and looked at him quietly, as if he had something to say but didn't know whether to say it or not.

Hugh said, "You, Mr. Queen, never tell lies. She is a woman. She is a woman. Don't look at me. Your Mr. Queen and I are actually twins. I am the real man. She is a woman disguised as a man."
