### **C17 Shameless Bastard!**

"That's the young lady from Yunxiu Garden. He said that brother's hands were red. When I heard the words 'red hand', I was quite puzzled. But later on, I realized that she should be talking about you, so I observed your hand when I was checking your body today. Only then did I realize that Zero was infected with the Arc Sea Fungus. "

If that young lady did not mention this matter, perhaps Dr. Mu would have found out, but he might not have.

But once that young lady reminded him, he would definitely discover it.

Therefore, he felt that the young lady had really saved Mr. Bao's life by accident.

Otherwise, it would be too late to wait for Mr. Bao's body to have a serious reaction before looking for a doctor.

Did Mr. Bao pick up a treasure? Was this the legendary benefactor?

However, he was also a great surgeon. His surgery could be said to be perfect. !!!

If it were someone else, they would probably have had to cut off their pinky.

That young lady was just lucky and had accidentally gotten lucky.

And he was relying on his own strength!!

"You mean, you are a trash." Bao Jingfeng gave him a cold glance. "You can't even compare to a mental illness? You won't notice if she doesn't mention it?"

Dr. Mu was speechless."

Hey, hey, hey. Hey, I've operated on you for four hours. Sigh, can't you thank me? Why are you so cold? Idiot!!

He thought of ten thousand words to scold him, but he didn't dare to say a single word.

'I'm going to be a coward today, what do you think?!

However, in reality, that young lady not only saved Bao Jingfeng's life, but also saved his life.

Otherwise, if Bao Jingfeng really got amputated because of the spread of the Arc Fungus of the Ocean, or if his life was in danger, he would also be finished.

Therefore, that young lady saved two lives at once.

...

The night was dark and the wind was strong. It was a good time to escape.

Gu Wuyan took out the clothes that she had changed into and put them on. She went to the door and put her ears on the outside.

She heard footsteps outside the door, so she went to the window and opened the curtains.

It was very quiet down there, and there was no one there.

Gu Wuyan raised her lips, then lifted her foot and stepped on the windowsill.

Just as she stepped on it, her scalp suddenly went numb and she shivered.

It was impossible for her to ignore the pain coming from her foot, but this bit of pain was nothing.

Endure it.

Gu Wuyan was very agile. With a flip of her body, she sat on the window.

Just as she was about to go down, there was a knock on the door.

Bang, bang, bang.

It was Liu Xiaoyun's voice outside.

"Miss, are you asleep? I have something for you. Mr. Bao asked me to give it to you."

Gu Wuyan frowned. If she jumped down now and Liu Xiaoyun came in and found that she was missing, she would definitely get someone to look for her.

At that time, whether she could escape or not was still uncertain.

She gritted her teeth and jumped down from the window. Then she closed the window and closed the curtains. She hurriedly took off her clothes and stuffed them under the bed and put on her pajamas.

Knock, knock, knock. Someone knocked on the door again.

"Miss, I'm coming in. Mr. Bao told me to give it to you."

Liu Xiaoyun immediately opened the door.

When she entered, she saw Gu Wuyan lying on the bed in a big triangle. One of her legs was beside the bed. The blanket was not covered and her belly button was exposed.

"Miss is really carefree." Liu Xiaoyun muttered and then went to the bed. She lifted Gu Wuyan's feet on the bed and covered her with the blanket.

She gently patted Gu Wuyan's shoulder, Miss. "

Under normal circumstances, she would not wake her up.

But Mr. Bao had instructed her, so she had no choice.

Gu Wuyan opened her eyes in a daze.

"What's the matter?"

"Miss, I'm really sorry to disturb your sleep. Mr. Bao asked me to give this to you."

She handed Gu Wuyan a white phone.

This phone was a curved screen, and it was very beautiful. It was also inlaid with diamonds. One look and one could tell that it was expensive.

Liu Xiaoyun had just handed the phone over when the screen of the phone suddenly transmitted a video call.

Liu Xiaoyun immediately pressed the button to connect and then aimed the camera on the phone at Gu Wuyan.

Gu Wuyan's appearance could be seen on the phone, but the person who called could not be seen.

"Little dumbass." A man's grumpy voice came from the phone.

Gu Wuyan,... ""

F \* ck, who was he calling a dumbass?

She laughed foolishly, "Look in the mirror, look in the mirror."

She took the phone over, looked left and touched right, as if she was very curious.

Liu Xiaoyun scratched her head.

When the young lady just woke up, didn't she look quite normal? Why did she get sick again when she heard Mr. Bao's voice?

Sigh, what a pity. She would get sick at any time. How could she live her life in the future?

"Take your phone and look at yourself."

Bao Jingfeng ordered on the phone.

Gu Wuyan tilted her head and bit her finger.

"Are you the older brother? Why are you here?" Gu Wuyan used her fingers to dig at the screen.

"Miss, this is a phone. Mr. Bao is on a video call with you. He is not on the phone. He is somewhere else."

Liu Xiaoyun patiently explained to her.

Gu Wuyan looked very anxious.

"Aiya, brother is trapped inside. I want to save him!"

Gu Wuyan raised her hand and fiercely smashed the phone onto the ground.

If she smashed the phone, she did not need to video call him. She did not want to contact him. She also did not know what the problem with this man was.

With a bang, the phone fell on the carpet and did not hurt or itch.

"Aiya, Miss, you can't do this." Liu Xiaoyun hurriedly picked up the phone.

"Please don't throw the phone. This is a gift from Mr. Bao to you."

"Little idiot, if you dare to play with the phone again, I will go back and hit you right now!"

Bao Jingfeng warned.

Arrogant and arrogant, righteous and upright!

He didn't care about the people around him at all.

Liu Xiaoyun heard this and her face turned red. She took a few steps back and was so shocked that her eyeballs almost fell out.

Gu Wuyan's heart was filled with ten thousand f \* cking horses.

Who was it going to attack?

Bastard, shameless, stinky hooligan, shameless!!

He would never let go of a mental illness!

Large pig trotters!

"What do you mean?" Gu Wuyan looked confused.

"You want to know?" Bao Jingfeng's voice suddenly flashed with a trace of ridicule, "Liu Xiaoyun, get out."

"Yes." Liu Xiaoyun did not dare to stay here any longer, so she opened the door and rushed out.

Mr. Bao was a beast. He would not let go of a mental illness!

Gu Wuyan's heart was beating like thunder, but on the surface, she still had to act like a gentleman.

"It means that I am entangled with you, and there is no gap at all."

"Wow!" Gu Wuyan was very surprised.

Stinky hooligan, shameless and perverted maniac!

"But if you are a little more obedient, I will not touch you for the time being."

Bao Jingfeng's voice eased up quite a bit.

This man just did not touch her for the time being?

The word 'temporary' was really torturous.

Gu Wuyan could not see that man's appearance. He did not turn on the camera over there.
