

An Understated Dominance by Marina Vittori Chapter 2019

Chapter 2019

Margaret held the spirit bead in both hands and looked straight at it. The joy on his face could not be concealed.

In her sight, a small white snake was swimming around in the spirit bead.

If you look closely, you will find that this little white snake has two horns on its head and sharp claws on its belly, showing signs of transforming into a dragon.

It is precisely because of this that she is certain that this is the Qi of Longyuan.

“After so many days of hard work, the trip was finally not in vain.”

Seeing Margaret’s message, Dustin couldn’t help but smile, and a stone fell in his heart.

It seems that the perception of the Sky Eyeball is not wrong, and there is indeed a rare treasure hidden here.

Thanks to the Sky Eye Bead, otherwise, they really wouldn’t be able to find the dragon source energy hidden in the spirit bead.

“Miss Margaret, what kind of treasure is this? It’s so beautiful!”

At this time, Lily Zhang came forward with a smile, looking curious.

She is not stupid, on the contrary, she is very smart.

Even the rare and precious spiritual fluid did not move Margaret and Dustin. However, such a white bead made them smile, which proved that this bead was much more precious than the spiritual fluid.

Naturally, she had to explore.

“This object is called Lingzhu. It is a crystal formed by the gathering of spiritual liquid. It is also the goal of my trip.” Margaret said in a slight panic.

The spirit bead is indeed a spirit bead, and it is also a crystallized by the slow condensation of spiritual fluid, but she hides the dragon source energy.

If you say it, it is half truth and half lie.

“Lingzhu? Isn’t that much more precious than spiritual liquid? What is the magical use of this treasure?” Lily Zhang asked with shining eyes.

Spiritual liquid is a liquid, and spiritual beads are solids that are concentrated and condensed from spiritual liquid.

The gap between the two is not that big.

“The effects of spirit beads and spirit liquid are similar. They are both used for cultivation. As for their specific uses, I don’t know.” Margaret said.

“Oh? Really?”

Lily Zhang showed a harmless smile: “I like this baby very much, can you lend it to me for two days?”

“Huh?” Margaret raised an eyebrow: “Sorry, I It’s still of great use, so I can’t borrow it.”

As she spoke, she took out an exquisite wooden box and carefully put the spirit beads into it.

She could naturally see the greed in Lily Zhang’s eyes.

When it comes to the destiny of the country, she will never take any risks and hand over the energy of Long Yuan to others.

“Miss Margaret, don’t be so stingy. I’m just borrowing it for a few days, and I won’t ask for it from you, right?” Lily Zhang frowned, feeling a little displeased.

“Miss Zhang, before entering the palace, I told you that I will only take one treasure. You can pick the rest as you please. I won’t compete with you, so you’d better not take my idea.” Margaret It was very straightforward and even a bit cold.

She asked herself that she was kind and generous enough. With her power, she would have no problem swallowing up all the treasures here.

But she still chose to keep her promise and give up most of her treasures.

If there are still people who dare to be greedy, don't blame her for being rude.

"I..."

Lily Zhang was about to say something, but was interrupted by Kevin Snow, who smiled apologetically at Margaret and said: "Miss Margaret, don't get me wrong, Junior Sister Zhang is just curious for the moment and has no intention of fighting for it. Please don't mind me."

After saying that, he winked at Lily Zhang.

They were able to enter the palace and get so many treasures all because of Margaret and Dustin.
