

An Understated Dominance by Marina Vittori Chapter 2037

Dustin Closed The Door And Was About To Go To Bed To Meditate When He Suddenly Saw A Woman In The Room.

The Woman Is Wearing A Hood And Veil, So Her Appearance Cannot Be Clearly Seen, But Her Eyes Are Very Lively.

Her Whole Body Exudes A Noble And Gentle Temperament, The Kind That Makes People Unable To Take Their Eyes Away From Her At A Glance.

The Person Who Came Was None Other Than Margaret.

“Huh? When Did You Come In?” Dustin Was Slightly Startled, A Little Strange.

He Had Been Entangled With Lily Zhang Just Now, And He Really Didn't Notice Her.

“Senior Brother Dustin, I Feel Lonely And Scared At Night, Can You Accompany Me?”

Margaret Imitated Lily Zhang's Coquettish Tone Before And Joked With A Smile.

“You Are The Princess Of A Country After All, Can You Be More Serious?” Dustin Rolled His Eyes.

“Giggle... Dustin, Dustin, I Didn't Expect You To Be Quite Popular. There Are Beauties Taking The Initiative To Throw Themselves Into Your Arms.”

Margaret Couldn't Help But Laugh Out Loud: “If It Were Me, I Would Have Just Gone With The Flow. , Anyway, Don't Give It Up For Free, And You Won't Be Suspected Of Having Any Special Hobbies.”

“Haha... Do You Think I Am Such A Casual Man?”

Dustin Smiled, And Poured Two Cups Of Tea. The First One The Cup Was Handed To Margaret: “Tell Me, Why Are You Looking For Me So Late At Night?”

“It's Nothing, Just A Reminder That We Are Being Watched.”

Margaret Picked Up The Hot Tea, Blew It Gently, And Then Said : “When Uncle Wang Was Patrolling Just Now, He Found That Someone Was Sneaking Around The Hotel Where We Were Staying To Check The Situation. It Was Obvious That He Had Evil Intentions.”

“Oh? Really?”

Dustin Walked To The Window And Gently Lifted A Corner Of The Curtain. Peeking Out Through The Gap, He Saw Several Figures Wandering Around The Hotel.

As If Stalking.

“Who Are These People?” Dustin Asked Smoothly.

“It’s Not Clear Yet, But It’s Most Likely That They Are Paid To Do It. In Short, Be Careful Tonight And Don’t Get Plotted.” Margaret Took A Sip Of Tea.

“Hmph! You Dare To Take Advantage Of Us, You Are So Impatient!” Dustin Narrowed His Eyes Slightly.

From The Moment Lily Zhang Came To Visit, He Sensed Something Was Wrong.

Now, He Is Basically Certain That This Matter Has Nothing To Do With Lily Zhang.

...

At This Moment, On The Other Side, In A Private House With A Yard.

The Masters Of The Twisted Sisters Sect, Headed By Caroline Thorne, Were Gathering In The Main Room To Wait For The News.

After A While, Lily Zhang Walked In The Door With A Gloomy Face, Bowed To Caroline Thorne, And Said Helplessly: “Master, The Disciple’s Beauty Trap Has Failed. The Young Master Is So Incompetent That He Didn’t Put Me In Any Place At All.” In The Eyes.”

“To Become A Martial Arts Master, One’s Mental Perseverance Is Far Beyond Ordinary People. It Is Normal For Your Charm To Fail.”

Caroline Thorne Nodded, Not Too Surprised, And Continued: “You Don’t Have To Worry About This Matter. Come On, My Master Has Already Made A Follow-Up Plan, Which Is Guaranteed To Be Foolproof.”

“Oh? I Wonder What Master Plans To Do?” Lily Zhang Was A Little Curious.

“I Have Contacted Many Forces, Including The Golden Blade Sect, And Plan To Form An Alliance With Them To Win The Treasure Together. After Success, We Only Need The Spirit Beads, And The Rest Will Be A Small Profit. It Doesn’t Matter If We Leave It To Outsiders.” Caroline Thorne Said. *Logan*

“Good Idea!” Lily Zhang’s Eyes Lit Up: “If There Is Danger, Let Them Go First, And We Will Reap The Benefits. This Way We Can Avoid Losses And Maximize The Benefits.”

“It Is Not Enough To Combine Forces From All Parties To Ambush. To Be Sure, I Also Prepared Knockout Blow Powder, Specially Used To Deal With That Young Master.”
