An Understated Dominance by Marina Vittori Chapter 2058

“When should we set off?” Dustin asked.

“I will arrange for two people to send you to Longhu Mountain to explore the situation first. As for me, I have to go back to Yanjing first to properly place the spirit beads and handle some personal matters. But don’t worry, I will definitely come before the competition. Rush to Longhu Mountain and meet you.” Margaret said.

“Okay, it’s settled then!” Dustin nodded in agreement.

He longed for Longhu Mountain, but he never had the chance to visit.

This time, I can take advantage of the martial arts tournament to go shopping.

“Spring flowers, autumn moon.”

At this time, Margaret shouted towards the door.

Soon, two dashing female guards in elegant attire walked in.

Dustin took a closer look and found that they were twins.

The two women are about twenty years old. Not only are they beautiful and tall, but their strength has also reached the level of late-stage congenial people.

In all major sects, he can be regarded as the best.

“You two accompany Mr. Dustin to Longhu Mountain. You must take good care of him on the way and obey his instructions.” Margaret ordered.

“yes!”

“yes!”

The two female guards of Chunhua Qiuyue clasped their fists at the same time.

“What do you mean?” Dustin looked strange.

“It’s nothing. It’s a long way from Longhu Mountain. It’s a long journey. You have to have someone to take care of you.”

Margaret said with a faint smile: “Chunhua Qiuyue is my personal guard. After special training, there is no need to worry about loyalty. If you have any trivial matters, you can trust them to handle them.”

“Okay, let’s do that.” Dustin nodded and said no more.

After breakfast, Margaret packed up and left the desert village with a large force.

Dustin and the others went straight to Longhu Mountain from another direction.

Two days later.

Two days later.

Longhu Mountain, Shangqing Ancient Town.

Dustin took Chunhua Qiuyue and the two of them into a restaurant called Chunfengzui.

This restaurant has three floors. The building is antique and has a certain flavor.

The first and second floors are places for drinking and eating, and the third floor is for accommodation.

At this moment, the spring breeze is intoxicating and the place is already overcrowded.

Some of them are tourists, and some are people from all walks of life who come here because of the martial arts competition.

“Mr. Dustin, the room has been reserved in advance. Let’s find a seat and have something to eat first?” Chunhua suggested.

“Can.”

Dustin nodded and took the two of them to find an empty seat at the table and sit down.

Then I ordered some signature dishes and listened to the whispers of people around me while eating and drinking.

Anyone in the martial arts world basically talks about martial arts tournaments.

After all, this is the first time something like this has happened in Longhu Mountain. For the sake of the Heavenly Master, warriors from all walks of life will flock here.

“The three of them look a little unfamiliar. Could it be that they are also here for the martial arts competition?”

While eating and drinking, a crisp voice sounded beside him.

Dustin looked up and found a fair-skinned, handsome young man standing in front of him.

The young man was dressed in white, holding a folding fan, and had a jade face and red lips. He was even more breathtakingly beautiful than a woman.

So after Dustin saw the young man’s appearance, he couldn’t determine the gender for a while, so he could only subconsciously glance at his chest.

Well, Yi Ma Ping Chuan should be a man.

It’s just that this man looks a little too attractive.
