An Understated Dominance by Marina Vittori Chapter 2062

“Gold, Wood, Water, Fire, Earth, what a good name.” Dustin praised lightly.

He knew that Yan Buqi’s identity was not simple, but he didn’t expect that the other party was actually the senior brother of Five Ghosts.

“Brother Dustin has been praised too much, and it’s all done blindly.”

Yan Buqi smiled slightly, and with his fair and delicate face, he looked quite charming.

“Hey! What’s your level? Why do you sit at the same table as my senior brother?”

The ugly-looking Yan Huo suddenly slapped the table with an aggressive tone.

He hated men who were handsomer than him the most, especially pretty boys like Dustin. The more he looked at them, the more unhappy he became, and he wanted to take off their skin.

“Are you talking to me?” Dustin pointed at himself.

“Otherwise? Is there anyone else here?” Yan Huo raised his chin with contemptuous eyes.

“Yan Huo, right? Did you just eat shit? It smells so bad when you open your mouth. Can you please rinse your mouth? Stop being so disgusting.” Dustin reached out and slapped his nose, looking disgusted. appearance.

“Pfft!”

Hearing this, the beautiful Yan Shui laughed out loud.

This was the first time she saw someone dare to talk to her third brother like this.

“You are looking for death!”

Yan Huo was instantly furious. Without saying a word, he punched Dustin in the face.

“presumptuous!”

“Be bold!”

Before Dustin made a move, the twins Chun Hua Qiu Yun immediately moved.

I saw two women, one on the left and one on the right, raising their legs at the same time and kicking Yan Huo in the head.

The legs are as long as whips, tigers are like wind, and they are surprisingly strong.

“Um?”

Yan Huo frowned, not daring to raise his eyebrows. He immediately retracted his fists and put his arms in front of him to protect himself.

Yan Huo frowned, not daring to raise his eyebrows. He immediately retracted his fists and put his arms in front of him to protect himself.

“Bang! Bang!”

There were only two explosions, and Chunhua Qiuyue’s leg kicked Yan Huo’s arm firmly.

As a result, Yan Huo was not only fine, but Chunhua Qiuyue was shaken three steps in the leg.

Two against one, he still came up short, which is enough to prove Yan Huo’s strength.

“He’s quite capable, but it’s a pity that you haven’t seen enough!”

Yan Huo sneered, took out a handful of short hair from his waist, and struck Dustin suddenly.

This ax was not fatal, but it was enough to disfigure Dustin’s face.

“stop!”

Chunhua Qiuyue’s expression changed, and it was too late to stop her.

The sharp ax struck hard, with an arc of light.

Just when everyone thought they were going to see blood, Dustin simply raised his hand and used two chopsticks to easily clamp the ax that Yan Huoxia was chopping.

Even from beginning to end, Dustin didn't even look at Yan Huo and just drank by himself.

“What?!”

Yan Huo's expression changed, a bit unexpected.

He never dreamed that his ax, which was cutting iron like clay, would be blocked by two chopsticks.

The most terrifying thing was that when he tried to withdraw the axe, he found that he couldn't move at all.

Those two ordinary chopsticks were like two iron pliers, clamping the ax tightly. No matter how hard he tried, he couldn't break free.

This scene not only surprised Yan Huo.

The other four people were also overwhelmed with emotion.
