An Understated Dominance by Marina Vittori Chapter 2075

At this moment, in the square in the center of the ancient town, there was already a circle of melon-eating people, most of whom were people from all walks of life.

The person being watched was a young man wearing a samurai uniform, wearing wooden clogs, and wearing a bun.

The man was sitting on a bench with a table in front of him.

There are only two items on the table, a bottle of wine and a samurai sword.

The man just drank to himself, not caring about the comments of the people around him.

Behind the man, there was a middle-aged man wearing a suit and white gloves, dressed as a butler.

The butler in a suit looked extremely humble when facing the man, but when he glanced at the crowd, he held his head high and his eyes were contemptuous, showing a superior attitude.

“You people from the Dragon Kingdom, listen up!”

After enough people had gathered, the butler in a suit said loudly: “This is my young master, Yayoi Kusama!

We are from the Golden Crow Kingdom, and we came to Longhu Mountain this time to challenge the masters of your Dragon Kingdom.

We will compete here for three days. Whoever can defeat my young master will get the ‘Oni Maru’, one of the ten famous swords of the Golden Crow Kingdom.

Of course, if you don’t have this ability, you have to cancel the martial arts competition and admit the fact that you are the sick man of East Asia! “

As soon as these words came out, the whole place was in an uproar.

Those with bad tempers just cursed out.

“F*ck! You little devil is so crazy. Believe it or not, I will chop you up!”

“Bullshit! How dare you be so arrogant in our Dragon Kingdom? You are really tired of living!”

“Damn it! Don’t stop me, I have to kill these two idiots!”

“...”

As the saying goes, one stone stirs up a thousand waves, because of the words of the suit butler, the entire scene exploded, with all kinds of yelling and yelling.

Some hot-blooded young people even pulled out their weapons and started to kill people.

At the foot of Longhu Mountain, openly calling Banlong Kingdom a warrior is simply asking for death!

“If you are dissatisfied, you can compete with our young master in the ring. Of course, if you don’t practice martial ethics and use your strength to bully the smaller ones, we, the warriors of the Golden Crow Kingdom, will naturally not be afraid.” The butler in a suit’s face did not change. The way.

From the first sentence, he knew it would arouse public outrage, but he never paid attention to these miscellaneous fish.

“stop!”

At this time, an old man with gray hair suddenly stood up and stopped the enthusiastic young people who were about to attack.

The old man was obviously of extraordinary origin, and his words were extremely majestic, and he calmed everyone down as soon as he spoke.

“We, the Dragon Kingdom, are a huge country. How can we lose our grace because of a small country?”

The old man looked around and said loudly: “The warriors of the Golden Crow Kingdom dare to challenge us, so we should have an honest duel and make them convinced of their defeat!”

“Mr. Dong is absolutely right! If we swarm up, even if we destroy these two guys, we won’t be able to win, and people will laugh at us if word spreads. Since they want to fight in the ring, let’s fight them! Beat them until they are submissive. !”

“That’s right! There are so many experts in our Dragon Kingdom. We can beat the little devils directly in the ring and then slap them in the face!”

At this moment, many people agreed.

Although they wanted to teach these two arrogant Golden Crow warriors a lesson, their reason told them that at this time, they must win with dignity!

“Who are you?” The suit butler looked directly at the old man.
