An Understated Dominance by Marina Vittori Chapter 2077

“I’m a disciple of the Sword Sect! I’ll deal with that bastard!”

At this moment, a loud shout suddenly sounded from behind the crowd.

The person who spoke was Xu Yang, who had just arrived at the scene.

Originally I was just joining in the fun, but I didn’t expect to see the warriors of the Golden Crow Kingdom talking nonsense here.

As a disciple of the Sword Sect and a passionate young man, he naturally couldn’t bear it.

“Junior Brother Xu, that person has an extraordinary aura and is not easy to deal with. Don’t be impulsive.” Liu Rushuang, who was standing nearby, warned.

Although Xu Yang has good talent, he has just joined the Sword Sect for a few years and lacks accumulation and training.

It is no problem to deal with ordinary innate warriors, but it will be difficult to encounter a real master.

“Senior sister, aren’t you just a little devil? What’s so great about you?”

Xu Yang said nonchalantly: “Although my swordsmanship is not as good as yours, I will definitely have no problem dealing with a little devil!”

Although he was new to the world, he had great ambitions.

Now that a blockbuster opportunity was before him, he was naturally unwilling to give up.

“Junior Brother Xu, it is a taboo to underestimate the enemy. You must think carefully before doing anything. The warriors of the Golden Crow Kingdom who dare to set up a

ring near Longhu Mountain cannot be ordinary people. If you ask for a fight rashly, you will probably be killed. Tune into the enemy's trap." Liu Rushuang reminded seriously.

Her words were quite tactful.

Yayoi Kusama dared to come to Longhu Mountain to challenge her, so she was naturally an outstanding person in the Golden Crow Kingdom. With Xu Yang's current strength, he was obviously not qualified to take the stage.

"Senior sister, have some faith in me, okay? I am the same age as that little devil, so I don't believe that I will be worse than him!" Xu Yang couldn't listen to the advice at all and continued to raise his hand to fight.

Because Jian Zong's reputation is so famous, many people have turned their attention to it.

"Little brother, are you a disciple of the Sword Sect?"

Xu Yang's loud voice quickly attracted Dong Qianqiu's attention.

"Replace it if it's fake!"

Xu Yang didn't waste any time and directly took out the Jianzong disciple's waistband to prove his identity.

"Okay, okay...she is indeed a disciple of the Sword Sect!"

After seeing the waist badge, Dong Qianqiu nodded with satisfaction: "Little brother, what's your name?"

"Junior Xu Yang, I have met Mr. Dong!" Xu Yang clasped his hands in high spirits.

Now that he was the center of attention, his whole b\*dy started to get excited.

"Brother Xu Yang, are you sure you can beat Yayoi Kusama?" Dong Qianqiu asked again.

“Although I dare not say that I am sure of success, I am confident that I have a chance of winning!” Xu Yang raised his head and said.

“good very good!”

Dong Qianqiu smiled: “I have heard for a long time that the disciples of the Sword Sect are dragons and phoenixes among men. When I saw them today, they are indeed worthy of their reputation! Since little brother Xu Yang is full of confidence, then you will fight on behalf of the Dragon Kingdom. Remember, you are only allowed to win, not defeat!”

“No problem!” Xu Yang clasped his fists with both hands: “Even if I risk my life, I will defeat the warriors of the Golden Crow Kingdom and make a name for the country!”

“Okay! Well said!”

As soon as these words came out, the audience burst into applause.

If one were to say which sect in the Dragon Kingdom was the most powerful and had the largest number of people, then it would be the Tianxiahui.

But when it comes to the elite level of its disciples and the quality of its masters, the Sword Sect is definitely the number one.

This is because the disciples recruited by the Sword Sect are all talented people. Although the number is small, the quality is superior.

Hong Juding is a living example.

At the age of more than 20 years old, he not only became a grand master, but also made it to the world-shattering list.

This gold content is enough for all sects to look up to.
