An Understated Dominance by Marina Vittori Chapter 2097

“I didn’t expect him to be the descendant of Feitian Yujian style. Mr. Yan, it seems your friend is in danger!”

Liu Rushuang’s beautiful eyes narrowed, and her expression became extremely solemn.

The reputation of Koseijuro is powerful even in the Dragon Kingdom. Yayoi Kusama can obtain the true biography of Koseijuro, and she is basically a quasi-swordsman level figure.

This time he came to the Dragon Kingdom and competed in public, obviously to become famous all over the world!

“No wonder he’s so powerful. He turns out to be a disciple of the strongest swordsman in the Golden Crow Kingdom. I didn’t lose unjustly.” Xu Yang puffed up his chest, looking proud of his defeat.

If he were defeated at the hands of an unknown person, it would have a great impact on both him and the Sword Sect’s reputation.

But if you were a direct disciple of Ko Seijuro, it would be different.

Gu Qingjuro is equivalent to the top grand master of the Dragon Kingdom, and his influence is no worse than that of Hong Xingchao, the leader of the Sword Sect.

The direct disciple of Hong Xingchao was Hong Juding.

In other words, Yayoi Kusama should directly compete with monsters like Hong Juding.

Therefore, his defeat at the hands of Yayoi Kusama is understandable.

“The Flying Sword Style is indeed powerful, but I think Brother Dustin is calm and composed, without any panic. Maybe he already has a way to deal with it.”

Yan Buqi shook his folding fan lightly, not nervous.

“Hmph! What do you mean by being calm and composed? In my opinion, he is either ignorant and fearless, or he is frightened!” Liu Hongxue sneered.

“Mr. Yan, have you known each other for a long time?” Liu Rushuang was a little curious.

“We met for the first time today.” Yan Buqi said truthfully.

“We just met him and you trust him so much? Why?” Liu Rushuang was very puzzled.

From the time Dustin came up to ask for a fight, everyone was questioning it, but Yan Buqi always supported it.

She really didn't understand, where was the confidence of the person in front of her?

“Because of the feeling.”

Yan Buqi did not hide anything and continued: “I have a strong sixth sense. I always feel that Brother Dustin is not a simple person.”

“Hmph! No matter how simple it is, is it still more powerful than the disciples of the Sword Master?”

Liu Hongxue crossed her arms and said coldly: “If I were you, I would immediately persuade him to admit defeat, otherwise once the little devil uses the Feitian sword-style moves, he will only die!”

Now that Yayoi Kusama has not made any moves, Dustin still has a glimmer of hope.

Once the killing move is used, it will be unstoppable and unavoidable, and people will fall to the ground in the blink of an eye.

Although she looked down on Dustin's flattering behavior, she didn't want him to die in the hands of the little devil.

“Keep reading, maybe a miracle will happen?” Yan Buqi smiled slightly.

“No! The little devil is going to use his sword!”

In the crowd, an old man suddenly exclaimed.

Everyone who had been whispering just now immediately watched intently.

In the middle of the field, Yayoi Kusama, who was ready to go, finally opened her eyes!

In an instant, his eyes turned scarlet.

“The first style of Feitian Sword Style——”

Yayoi Kusama gave a low shout, kicked the ground with both feet, and her whole body turned into a bloody afterimage and ejected.

Its speed is as fast as an arrow leaving the string, and it is impossible for ordinary warriors to catch it with their naked eyes.

“What a fast movement!”

Dong Qianqiu’s expression changed, and he was secretly frightened.

Although he had heard the name of Feiten Mitsurugi-ryu for a long time, this was the first time he saw it with his own eyes.

Before the sword came out, Yayoi Kusama’s movement was several times faster than before. Even he was slightly slower in terms of speed.

“Draw your sword and kill!”

When Yayoi Kusama was close to Dustin, the famous sword Onimaru suddenly unsheathed and made a diagonal slash at lightning speed.

This diagonal slash cuts from the left shoulder to the right abdomen. Once it hits, it can directly cut the person into pieces!

“Whoosh!”

Everyone saw a flash of blood-colored light and shadow, so fast that they didn't even see clearly what happened.
