

An Understated Dominance by Marina Vittori Chapter 2098

An Understated Dominance by Marina Vittori Chapter 2098

When the picture freezes again.

Yayoi Kusama has appeared behind Dustin, and the famous sword Onimaru in her hand is slowly being sheathed.

For Yayoi Kusama, the sword-drawing strike just now was enough to easily kill Dustin, and there was no need for a second strike.

This is his confidence in Feitian Yujian and his confidence in his own strength.

“What’s going on? Is it over already?”

Seeing Yayoi Kusama standing proudly and full of evil aura, everyone looked at each other, a little confused.

Everything happened so fast just now, from Kusama Yayoi’s ejection, to using the flying sword style to draw the sword, and finally sheathing the sword, the whole process happened in the blink of an eye.

Before anyone could react, the battle seemed to be over.

“As expected of the legendary Feitian sword-fighting style, the speed is so fast!”

“That person is not dead, is he? I think he hasn’t moved.”

“I heard that when the knife reaches its extreme speed, even if it cuts off a person’s head, the person’s body can still move forward.”

“Alas...it seems that there is no hope of recovery. Let’s prepare to collect the body.”

The onlookers were whispering to each other.

Some people directly sentenced Chase Lu to death, thinking that Yayoi Kusama’s lightning-fast knife had already taken his life.

“Sister! Did you see clearly just now? Is that guy dead?”

Looking at the two motionless people, Liu Hongxue frowned, her heart in her throat.

At this moment, she didn't know whether she was happy or worried.

If Dustin dies, then she can get a sword on the list of famous weapons, but similarly, the warriors of the Dragon Kingdom will also bear the reputation of the sick man of East Asia and be laughed at by the little devils.

“You can't see clearly, Yayoi Kusama is too fast.”

Liu Rushuang shook her head, her pretty face became extremely solemn.

The flying sword style is too terrifying, just drawing the sword and slashing with one hand is enough to make people despair.

“Don't look anymore, that guy is dead. The little devil just executed the sword-drawing slash. No one except Mr. Dong can stop him.”

Xu Yang shook his head and said: “Look carefully, the little devil has already sheathed his sword, which means the battle is over. Mr. Yan, I can only say that you made a mistake this time.”

Yan Buqi narrowed his red phoenix eyes and carefully observed the situation on the battlefield.

There was a rare trace of nervousness on that beautiful face.

Yayoi Kusama's extremely fast knife just now made him wonder if he had made a mistake in judgment?

Under the gaze of everyone, Yayoi Kusama received the sheath and turned around slowly.

Then, facing Dustin's back, he raised his finger and tapped it lightly in the air

“fall!”

At the exit of the inverted character, a burst of Grandmaster Qi broke out of the body and turned into a strong wind, blowing on Dustin.

However, the dismemberment scene that Kusama expected did not appear.

Dustin still stood motionless. The strong wind just now only blew his hair and clothes.

“Um?”

Yayoi Kusama frowned and took a step closer again: “Down!”

This time, he used more Grandmaster Qi to create a stronger wind.

However, the result was still the same. Dustin just stood quietly without any reaction.

The people watching look at me and I look at you. You don't know what's going on?

“fall!”

“fall!”

“fall!!”

The questioning voices from all around made Yayoi Kusama lose her composure, and she clicked her index finger crazily.

Wave after wave of strong wind kept surging out, impacting Dustin, but it never achieved the expected effect.

“I'll do it to your mother!”

Dustin finally caught his breath, and used a branch in his backhand to hit Yayoi Kusama's face hard, knocking her unconscious.
