An Understated Dominance by Marina Vittori Chapter 2101

“Whoosh, whoosh, whoosh, whoosh, whoosh...”

When Yayoi Kusama used her strongest secret, nine extremely sharp blood-red sword lights slashed fiercely at Dustin from all directions.

Overwhelming, terrifying and unstoppable!

“Little tricks!”

Dustin snorted coldly and waved the branch in his hand without dodging.

Using the same movement, he slashed at Kusama Yayoi nine times.

In an instant, nine white sword rays shot out and collided head-on with the nine blood-red sword rays slashed by Kusama Yayoi.

“Bang, bang, bang, bang, bang...”

The sword light clashed with the sword light, making bursts of explosions.

Two different energies collided with each other using the same attack method.

As the white light and red light flickered, powerful shock waves, like surging waves, centered on the collision point and swept away in all directions.

And one wave overshadows the other, and one wave overwhelms the other.

In an instant, smoke and dust were everywhere within a radius of 100 meters, and sand and rocks were flying.

All the spectators were so blown away that they stepped back and couldn't even open their eyes.

Some weak ones were even shocked to the point where their faces turned pale and their energy and blood surged.

“Let’s see if you’re still alive now!”

The butler in a suit raised his hand to face the wind and sand, but there was a sneer on the corner of his mouth.

So far, no one has been able to stop the Hiden Mitsurugi-ryu’s secret ultimate move, the Nine-Headed Dragon Flash.

The last time, the sword master Gu Qingjuro used this move, he directly killed a strong man at the Grand Master level in front of everyone.

From then on, it shocked the world!

Although Yayoi Kusama is not as good as Ko Seijuro, she is still a quasi-sword master.

The Nine-Headed Dragon Flash used by Yayoi Kusama with all her strength is enough to kill a powerful martial arts master!

Although Dustin was powerful, in his opinion, it was impossible to block such a killing move.

One minute later.

When the dust settles and the hurricane disappears.

The butler in a suit took a closer look, and the smile on his lips immediately solidified.

Because he was surprised to find that Dustin was still alive!

Not only alive, but unscathed.

On the other hand, his young master, Yayoi Kusama, looked pale, sweating profusely, panting heavily, and looked like she was about to collapse.

It was obvious that Yayoi Kusama, who had used the most powerful Nine-Headed Dragon Flash Queen, had been drained of all her energy.

Even the hand holding the knife began to tremble slightly.

“How could this happen? Could it be that the despicable dragon countryman blocked the most powerful secret of Feitian Yujian style?!”

The suit butler’s eyes widened with disbelief on his face.

Not only him, but also Yayoi Kusama, who was involved, was even more stunned and unbelievable.

He never dreamed that the Nine-Headed Dragon Flash he used would be easily resolved by Dustin.

After fighting for a long time, he was so tired that he almost collapsed, but Dustin remained calm as if nothing had happened. This strong contrast made him almost collapse.

“You...who are you? How can you stop my flying sword style?” Yayoi Kusama asked in a trembling voice.

Dustin did not answer directly, but said lightly: “Have you finished the fight?”

“Where?” Yayoi Kusama frowned, feeling uneasy for no reason.

“You’re done fighting, now it’s my turn.”

As soon as Dustin finished speaking, a tree branch hit Yayoi Kusama in the face.

“Snapped!”

There was a crisp sound.

Yayoi Kusama was whipped around in a circle, and there was another deep blood mark on the left side of her face, and her cheek soon became swollen.

“you.....”

Yayoi Kusama touched her burning face, and just when she was about to get angry, she got another blow on her face.

“Snapped!”

rhys showed no mercy, and the branch hit Yayoi Kusama’s face again.

The huge force caused Yayoi Kusama to stagger back and lose her balance.

However, rhys did not give up. Attacks came one after another, and branches kept hitting Yayoi Kusama.
