An Understated Dominance by Marina Vittori Chapter 2105

“Sister Hongxue, are you going to regret it?” Yan Buqi asked with a half-smile.

“Hmph! Who said I’m going to regret it? It’s not like I can’t afford to lose?”

Liu Hongxue rolled her eyes, then walked forward quickly, pushed through the crowd, stood in front of Dustin, and said quickly and bluntly: “Well... I misunderstood you before, and I apologize to you. sorry.”

After saying that, he turned around and left without giving any chance to reply.

Dustin was stunned for a moment, a little confused.

what is this? Apologize? Why do you look so embarrassed?

“I’ve apologized, are you satisfied now?”

Liu Hongxue returned to Yan Buqi and the others and puffed her lips in dissatisfaction.

Yan Buqi shook his head and smiled, not caring.

At this moment, Dustin was still surrounded by stars.

All the sects and masters are vying to win over each other, and the conditions they offer are more terrifying than the others, for fear of missing out on this sweet and savory opportunity.

Some even used honey traps, hoping to capture Dustin on the spot.

Faced with everyone’s enthusiastic attitude, Dustin only felt a little headache and chose to decline one by one.

If it weren’t for the provocation from the Golden Crow Kingdom, he really wouldn’t want to be in the limelight.

After winning, it was too much trouble.

“Okay, everyone, little brother dustin just had a big battle and is already very tired. Let him rest first. If you have anything to say, we can talk about it later.”

Dong Qianqiu walked to the front of the mountain and started to smooth things over at the right time.

As the protector of the Tianxiahui, Dong Qianqiu is highly respected in terms of reputation, prestige and personal strength.

When he spoke like this, everyone was a little reluctant, but they could only show their face, and after a few words with Dustin, they dispersed one after another.

In fact, smart people all know that Dong Qianqiu has a love for talents.

If the Tianxiahui wants to recruit Dustin vigorously, small sects like them will have no chance at all.

Regardless of welfare benefits or power and prestige, Tianxiahui is the leader of the world, and they are far behind.

After the crowd dispersed, Dong Qianqiu smiled and said: “Little brother, you just brought glory to the country. I admire you very much. I wonder if you can have a meal with me?”

“I still have a few friends.”

Dustin turned around and looked at Yan Buqi and the others.

“It doesn’t matter, we are all pillars of the Dragon Kingdom, and we just happen to communicate with each other.” Dong Qianqiu said.

“Then junior, it’s better to be respectful than to obey.” Dustin nodded slightly.

From the recent contact, it can be seen that Dong Qianqiu is a good person, and it doesn’t hurt to make friends with him.

...

Now, on the other side.

The butler in a suit carried the seriously injured Yayoi Kusama and trotted all the way to a private residence.

The house is very large, surrounded by high walls and surrounded by green trees, making it a quiet place.

“Someone! Come quickly! The young master is injured!”

After the butler in a suit entered the courtyard, he started shouting loudly.

Running all the way, he was so tired that he was sweating profusely, but he didn't dare to stop at all.

After hearing the shouting, a group of people quickly poured out of the yard.

They are all masters from the Golden Crow Kingdom wearing samurai uniforms, wearing wooden clogs, and holding swords.

The leader was a sturdy middle-aged man with two swords hanging from his waist.

He also has a little beard at the center of his body, which is very characteristic of the Golden Crow Kingdom.

The man was none other than Yayoi Kusama's father, the patriarch of the Kusama family, Taro Kusama!

He is also one of the top ten swordsmen of the Golden Crow Kingdom.

“What's going on? Why is Yayoi so injured?!” Taro Kusama asked with a gloomy face.
