An Understated Dominance by Marina Vittori Chapter 2129

Chapter 2129

This meeting of powerful men from various countries is an arrangement of the pantheon of gods and an attempt officially authorized by the Lighthouse Nation.

If things go smoothly, there will be more similar cooperation in the future.

“As long as the people from Korea don’t mess with me, I can treat them like air.”

William said no more, picked up the red wine glass, and began to taste it by himself.

After getting acquainted with each other briefly, the others chatted with each other.

Time passed little by little, and in a blink of an eye it was already half past eight, half an hour beyond the agreed eight o’clock.

However, the people from Korea never arrived.

Although the powerful people in various countries did not criticize, they all showed dissatisfaction.

For such an important gathering, they all arrived early for fear of missing something.

The people of Korea were actually late, and they were late for such a long time, as if they didn’t take it seriously at all.

It would be fine if the Lighthouse Country did this.

After all, it is the world’s most powerful country and has the capital.

Is Koryo a piece of shit again? The weakest being in every country actually dares to show off in front of them?

What a shame!

“Bailey, the time has passed.

The people from Korea probably won't come.

Let's get started.” William shook the wine glass in his hand.

“Wait a minute, they might have encountered some trouble.”

Bailey looked at the time and felt very unhappy.
