An Understated Dominance by Marina Vittori Chapter 2154

Chapter 2154

“If the Blood Madness Sect is reasonable, it would be best. If they are unreasonable, I may not be afraid.”Dustin said calmly.

Let alone the Blood Mad Sect, even if he offends the Sword Sect or the Tianxiahui, he is not afraid at all.

“Brother Dustin, I know you are very strong, but there are people outside the world, and there is a sky outside the sky. You must not be reckless!”

Yan Buqi said earnestly: “Did you know that Kuang Chao’s brother is Kuang Lang, who is ranked eighth on the list of geniuses! Now that Kuang Lang has arrived at Longhu Mountain, once he learns that his brother has been killed, he will definitely not let go. Pass you!”

The characters on the list of geniuses are all monster-level existences.

Just pick one out and it can suppress all directions.

Dustin is powerful, but no matter how powerful he is, he can’t beat Kuang Lang, who is ranked eighth on the list of geniuses.

Once Kuang Lang comes to seek revenge, Dustin may be in danger!

“Yes, Brother Dustin! You can save the green hills without worrying about having firewood. You can stay away from the limelight for a while. It won’t be too late to show up again after the Blood Madness Sect finds the real murderer.” Xu Yang advised.

Although Dustin is extremely talented, he is just a loner after all. Without a strong backer, he can easily be plotted.

“The martial arts competition at Longhu Mountain will be held in two days. How can I be a coward at such a critical moment?” Dustin shook his head and rejected the proposal.

“What if Kuang Lang comes to seek revenge on you?” Yan Buqi frowned slightly.

“When soldiers come, they will be blocked, and when water comes, the soil will cover them up.” Dustin answered simply.

“Hey! Why don’t you listen to my advice?”

At this time, Liu Hongxue beside her couldn’t stand it any longer: “We are all doing this for your own good, so don’t try to force yourself, okay? You only have one life. If you die at the hands of the Blood Madness Sect, wouldn’t it be a huge loss?”

As the saying goes, it is easy to dodge open guns but hard to guard against hidden arrows. Once you are targeted by the Blood Madness Sect, you will not have a peaceful life.

No matter how powerful Chase Lu is, he can’t do it without eating, drinking or sleeping.

If you relax even a little bit, you may die.

“People from the Blood Kuang Sect can’t kill me, and I won’t take the blame for others for no reason. Where is Kuang Chao’s body? I want to go to the scene to take a look.” Dustin said.

“What? You still want to go to the scene?”

Upon hearing this, Liu Hongxue almost jumped up: “Are you mistaken? The people from the Blood Madness Sect are collecting the corpses of Kuangchao. If you go over now, wouldn’t you be throwing yourself into a trap?”

Is this guy crazy?

When something like this happens, any normal person would be afraid to avoid it, but in the end, the person in front of him is a good person. Not only does he not hide, but he even wants to die on his own. This is simply stupid!

“It’s a blessing, not a curse. You can’t avoid it. If I hide here and there, it will make me feel guilty. It’s better to face it openly and solve this trouble as soon as possible.” Dustin said seriously.

“Hey! You are so stubborn!” Liu Hongxue looked like she hated iron.

When she was about to say something, her sister Liu Rushuang raised her hand to stop her: “I think Mr. Lu is right. Hiding will only arouse more suspicion. The best way is to be honest with each other and make all misunderstandings clear. Only in this way can the problem be solved fundamentally.”

“Sister! How can those lunatics from the Blood Madness Sect be reasonable people? If Dustin doesn’t explain clearly, he may be quartered on the spot!” Liu Hongxue was anxious.

“This is Longhu Mountain, not the Blood Crazy Sect. They cannot allow them to kill innocent people indiscriminately. Besides, we can definitely testify for Mr. Lu to prove his innocence. With the disciples of our Sword Sect as guarantees, those who believe in the Blood Crazy Sect dare not You are messing around.” Liu Rushuang said.

As soon as these words came out, Liu Hongxue couldn’t help showing a thoughtful expression.

Yes, if Dustin is excused in the name of Sword Sect, the Blood Madness Sect will have to give up some face no matter what.

“Okay! Since Brother Dustin plans to face the difficulties, then we people will risk our lives to accompany the gentleman!”

Xu Yang waved his hand, as if he was willing to die generously.

Now is the critical moment to get closer to Chase Chase, if they can rescue Chase Chase this time.

The relationship between the two parties will definitely take it to the next level.

If they encounter any trouble in the future, Dustin probably won’t stand idly by.
