An Understated Dominance by Marina Vittori Chapter 2177

Chapter 2177

If it were an ordinary warrior, if he were hit by a ten thousand catty cauldron, he would probably die on the spot.

However, King Ma still behaved calmly. Facing the falling cauldron, he did not dodge or avoid it, and was not afraid at all, as if he did not take it seriously at all.

It wasn't until he was about to hit his head that King Ma stretched out a hand and easily lifted the 10,000-jin cauldron.

“Buzz~!”

After the cauldron sank slightly, it was quickly frozen in mid-air by King Ma with one hand.

Looking at Ma Wang's calm expression, it seems as if he is not holding a 10,000-jin cauldron, but a ball of cotton.

“Lifting the cauldron with one hand! Senior Brother Ma is awesome!”

Niu Mang clapped wildly and almost jumped with excitement.

“Damn it! This guy actually held up the cauldron with one hand? That's so tempting!”

“There are many people who can lift a 10,000-pound cauldron, but he is undoubtedly the best one I have ever seen!”

“What a natural divine power! It's so powerful!”

“...”

Seeing the Horse King showing off to the audience, all the warriors were talking and marveling.

To be able to catch the cauldron with one hand while shooting it flying is definitely not something that ordinary people can do.

Either he is born with divine power, or he is powerful, or he is both.

But no matter what it is, King Ma's performance has amazed everyone.

"As expected of Senior Brother Ma, he is truly amazing."

Meng Yao breathed a sigh of relief and smiled.

The behavior of King Ma just now was too risky, and he just stood motionless under the cauldron.

If you accidentally get hit, wouldn't it turn into a meat pie?

Fortunately it was just a false alarm.

"Boy! Do you see, this is the power of Senior Brother Ma, and this is the demeanor of the chief disciple of Xuanwu Sect's Litang!"

Even though he was happy, Niu Mang did not forget to humiliate Dustin with words.

Who can lift the cauldron with one hand and look at the whole audience?

"It's just a 10,000-jin cauldron. It's nothing special. If you can, just lift a 50,000-jin cauldron with one hand." Dustin said calmly.

"What are you farting! Do you think the 50,000-jin cauldron is just cabbage? Just lift it at your will?" Niu Mang sneered.

"If you can't do it, don't yell here. I don't know if you think you have broken the record." Dustin picked his ears, looking a little careless.

"You——!" Niu Mang gritted his teeth in anger.

He was so stupid and didn't know how to refute.

"Boom!"

There was a muffled sound.

King Ma threw down the ten-thousand-jin cauldron in his hand, looked at Dustin, and said coldly and arrogantly: "Boy, your tone is quite serious. Do you dare to make a bet with me?"

"How do you want to bet?" Rhys asked.

"It's very simple. If I can lift a 50,000-jin cauldron, I will throw it to you. If you can catch it, I will lose. If you can't catch it, it depends on whether your life is tough or not." King Ma sneered. road.

As soon as these words came out, many people around him changed their expressions.

A 10,000-jin cauldron can crush a person to death, let alone a 50,000-jin cauldron.

If this thing were to be smashed down, a hand or a foot would be cut off if touched. If you really dare to pick it up, there will only be one end.

Shattered to pieces!

It was obvious that King Ma was digging a hole for Dustin.

As long as Dustin dares to agree, it will be a dead end.

"Boy! Aren't you very arrogant? Why don't you say anything now? Are you willing to make a bet with me, Senior Brother Ma? Let's see how capable you are!"

Niu Mang raised his chin and began to verbally provoke.

Now Dustin Dustin only has two choices, either give in or fight to the death.

If he chooses the former, he can humiliate him as much as he wants and slap Dustin in the face.

If you choose the latter, it will be even better, and it will turn into a puddle of meat.
