

## Chapter 3

### Diana's Pov

As my words fell, Nathan's body shook violently.

A look of pain appeared on his face.

And I wasn't any better.

My heart seemed to be torn apart, and huge pain swept through my body instantly.

I thought it wouldn't be more painful than the mate bond pain when Nathan screw with other women, and I thought I was used to it.

But cutting him off was different, the grief was eating me alive.

I suddenly vomited a mouthful of blood, and my whole body was shaking.

"Diana!"

Marc caught me in time, his eyes full of worry.

"...I'm fine," I said weakly.

Marc gritted his teeth.

He glared at Nathan and said to me, "Let's go."

Marc helped me walk towards the Rolls-Royce.

Nathan grabbed my arm instead.

His pain had subsided a lot.

But his face was even gloomier than before!

"What do you mean?" he demanded.

Marc waved his hand away—

"Don't touch her!"

"She is my mate!" Nathan shouted.

"Was." Marc sarcastically said, "Just now, Diana has rejected you. Is the noble Alpha Nathan reluctant to let Diana go?"

Nathan's pupils shrank suddenly.

If this was not in public, I have no doubt that he would beat Marc up.

But I don't understand why he is so angry.

I rejected him and made room for his beloved Zoe. Shouldn't he be happy?

Zoe trotted up to him, looking panicked.

"Nathan..."

With red eyes, she pulled on the hem of Nathan's clothes, with a panicked look on her face, as if she was afraid that Nathan would abandon her and choose me.

As expected, Nathan gradually calmed down.

He patted Zoe on the shoulder and whispered, "Dear, you should go in first."

Zoe bit her lips until they turned white, and she didn't seem to want to leave.

But in the end, she didn't disobey Nathan.

While Zoe left, Marc helped me into the car.

When he was about to close the door, Nathan stopped him.

"What do you want?" Marc asked offended.

"Don't get crooked." Nathan smiled, "It's just that as the Alpha of the Dark Moon Pack, out of politeness, I would love to take care of the guests from the Blade Moon Pack."

"No need, we-"

the bed, and began to untie his tie.

I don't understand what he is trying to do.

"You don't love me anyway, wouldn't it be a good thing if I left? This way, you can let Zoe be your Luna."

"That's not the reason for you to cheat on me and be with Marc." Nathan glanced at me and said.

"And what's the reason for you being with Zoe? Isn't it Zoe that you should care about?" I sarcastically said.

Nathan was silent.

After a moment, he smiled.

"You clearly know that Marc is the only one who can compete with me, and you deliberately seduce him... What? Are you provoking me? Why didn't I know you were so bold before?"

He narrowed his eyes and loosened the two buttons on his chest, the interest in his eyes becoming more and more obvious.

He had never looked at me with such a hunting look before.

I sensed danger instinctively.

"Whatever you say."

I didn't want to continue arguing with him and walked quickly towards the door.

But it was too late.

Nathan came from behind me.

Immediately afterward, the door panel was slammed shut.

The heavy, attractive scent made me freeze.

Before I could react, Nathan had already put me on his shoulders and threw me on the bed.

I tried to sit up, but Nathan's body came upon me, blocking my

escape.

"You...what are you going to do?"

I put a hand on his chest, trying to push him further away.

"What do you think?" Nathan asked, his hot hands reaching under my clothes and deftly uniting my underwear.

I was startled.

"Let me go!" I growled.

"Let you go?" Nathan sneered, his big hands reaching into my skirt.

His skillful technique made me gasp.

"Baby, you're so wet. Your body is more honest than your mouth." He chuckled.

He lowered his head and kissed my neck. The delicate and messy kiss almost made my mind collapse.

My body quickly became hot under his provocation.

Nathan was my mate, and his proximity was a temptation for me.

What's more, even though I didn't want to admit it, I did love him for two years. Until now.

Just a breakup sex... I guess.

Although Nathan is a nasty bastard, with his appearance and figure, I am not at a disadvantage.

I couldn't help but start responding to him.

I remember that he once commented that my bed skills were "stiff and boring."

Stiff and boring?

I turned over and pinned him down, straddling his waist.

Under his shocked gaze, I took the initiative to shake my body.

He let out a grunt.

"Fuck, you're so hot, baby."

The fire burned in his eyes.

...

The dawn lights up the room.

Nathan hugged my waist from behind and placed a kiss on my neck.

"You're great today."

He gently stroked my long hair, his voice husky and sexy after sex.

"Really?" I asked, "Compared to Zoe?"

He froze and left me.

Then, his voice became cold.

"She's different from you."

I couldn't help but sneer.

This isn't the first time I've heard Nathan say this.

Zoe and I are different, but what are the differences?

Maybe it's just because he likes Zoe and hates me, so he feels that everything is different.

In his eyes, how can the shameless cheater compare with the innocent Zoe?

"I can treat the rejection as if it didn't happen." Nathan's voice came from behind me, "And this is the last time. I don't like you using this way to attract my attention. Don't meet Alpha Marc again in the future. "

I turned to look at him.

"You still think it was just as a way to get your attention?"

I'm amused.

"Otherwise?" Nathan asked.

I stared at Nathan for a long time.

I wonder if it's his status as Alpha that gives him so much confidence.

Nathan leaned in to kiss me.

This time, I decisively avoided him.

He raised his eyebrows slightly.

I sat up and started putting on my clothes.

As I buttoned the last button, I looked over at Nathan.

"I think you misunderstood. It was never a joke when I said leaving. Otherwise, I wouldn't reject you in front of everyone."

Nathan seemed to finally realize that I was serious, and his eyes turned serious.

"Diana, I advise you to stop. My temper is not as good as you think."

"I never thought you were a good-tempered person." I sneered, "Nathan, you must have felt it. Our mate bond has been broken, and we should never meet again."

I lifted my legs and walked towards the door.

"Oh, and also." I stopped and turned my head to look at him, "I wish you and your different Zoe will be together forever."

After saying that, I closed the door hard.

After this, Marc and I left Dark Moon Pack overnight.

At that time, I thought this would be my last meeting with Alpha Nathan.

I never thought that this breakup would actually give us a child.
