An Understated Dominance by Marina Vittori Chapter 2201

Chapter 2201

After all, he is a martial arts master and a key member of the organization. It is really aggrieved to be treated with such contempt.

“It’s okay.”

Yan Buqi breathed a sigh of relief and said guiltily: “There was something wrong with my plan and I almost killed you. I’m really sorry.”

The original plan was for Dustin to be used as a bait to lure out the killer, and then they would work together to encircle and suppress him.

As a result, they were lured away by the killer. Not only did they not catch anyone, but they put Dustin in danger. It was undoubtedly a failure within a failure.

“It’s not a planning problem, it’s a people problem.” Dustin shook his head slightly.

“You mean... there’s a traitor among us?” Yan Buqi raised his eyebrows and quickly reacted.

He had been wondering before. There were no flaws in tonight’s plan, so why did the killer run away before he entered the ambush?

Now that I think about it carefully, it is likely that the news was leaked internally.

Not many people know the detailed plan, but there are many warriors who participated in the ambush. If we really want to investigate, everyone will be suspected.

“Brother Dustin, thanks to you tonight, otherwise we would have lost everything.”

At this time, Dong Qianqiu walked out of the crowd, followed by several elites from the Tianxiahui.

Most of the martial arts masters participating in the ambush tonight were summoned by Dong Qianqiu.

As the protector of the Tianxiahui, Dong Qianqiu has a high status, strong strength, and wide connections. He responds to every move he makes.

Moreover, the murder of the little spear fairy Chen Xingwen also made the world furious. Dong Qianqiu was given full authority to track down the murderer and would never give up easily.

“Mr. Dong is too flattering. I was just lucky and caught three mice.” Dustin nodded slightly, neither humble nor arrogant.

“Brother Dustin, there is no need to be humble. Everyone has seen your strength. These killers are not ordinary people. Even I may not be able to catch them. You are already very powerful if you can subdue three people.”

As Dong Qianqiu was talking, he suddenly raised his hand: “Come here! Take these three guys down and torture them severely. We must find out who is behind the scenes!”

“yes!”

Several Tianxiahui elites behind him responded and stepped forward to take someone.

“etc.”

Dustin suddenly raised his hand to stop him and said, “Mr. Dong, tonight’s business is not over yet. I still have great use for these three mice.”

“Oh? Do you have any other clever ideas?” Dong Qianqiu raised his eyebrows, quite curious.

“Mr. Dong, look at the signal flare. You should have seen it, right?” rhy asked.

“Of course, it was because I saw the distress signal that I immediately led people over. What? Didn’t you set off the signal bomb?” Dong Qianqiu was a little surprised.

“I don’t have such a thing on me. He put the flare.”

Dustin raised his hand and pointed at the man in black and continued: “This man is greedy for life and afraid of death. After he was injured by me, he sent out a signal flare to ask for help. I estimate that all the killers within a ten-mile radius should be here by now.” On the way.”

“What do you mean...” Dong Qianqiu touched his chin, somewhat unsure of the intention of the person in front of him.

“Instead of playing hide-and-seek with them, let’s go head-to-head.”

Dustin’s voice suddenly became cold and stern: “What I mean is, use these three mice as bait to catch all the killers who come!”

As soon as these words came out, Dong Qianqiu couldn’t help but change his expression slightly.

Is this guy too courageous?

With just a few dozen of them, it would be too risky to uproot the entire killer organization.

One mistake and the entire army will be wiped out!
