An Understated Dominance by Marina Vittori Chapter 2221

Chapter 2221

“Dead...dead? How is that possible?!”

“I didn’t expect that the dignified elder of the World Council, a powerful figure in the world, would die at the hands of a monster. It’s really unbelievable!”

“It’s just that Zhao Shanhe is too arrogant and domineering. He ended up like this. It’s karmic retribution.”

“ ... ”

Zhao Shanhe’s death caused an uproar in the entire audience.

No one expected that the majestic and arrogant big man just now would die so suddenly.

After being thrown to the ground by the lion, he bit his head off in one bite.

It was really bizarre that he didn’t even have a chance to resist.

“Zhao...Elder Zhao?”

Dong Qianqiu, who had just arrived, looked at the headless corpse in front of him and stood blankly on the spot for a moment.

Zhao Shanhe must be above him in terms of strength and status.

For the entire Tianxiahui, they are rare backbone members and pillar-level existences.

The Tianxiahui disciples who came to Longhu Mountain to compete this time were all under the jurisdiction of Zhao Shanhe.

Its power is so great that it can be said that it is inferior to one person and superior to tens of thousands of people.

However, all that is left of the once-famous big man is a headless corpse.

It's really sad.

“Ho~!”

After swallowing Zhao Shanhe's head, the lion raised its head and roared to the sky.

The sound was like thunder, shaking the heaven and the earth. Many warriors were so shocked that they covered their ears and showed pain on their faces.

At the level of Grand Master, even a simple sonic attack cannot be resisted by ordinary warriors.

“Boom!”

After the lion roared, its huge body seemed to be exhausted, and it fell directly to the ground and passed out on the spot.

Immediately afterwards, the size of the male lion quickly shrank, and the hard black hair on the body was immediately retracted from the body.

Its sharp claws, fangs, facial features, and muscles, all the characteristics of animal transformation, are all disappearing little by little.

In just a few breaths, the previously powerful and terrifying black-haired monster completely transformed back into a human.

Seeing this scene, everyone breathed a sigh of relief.

The lion transformed into a beast is really terrifying.

The speed, strength, and defense are astonishing, including the body's ability to recover, which has also reached an incredible level.

A broken arm can regenerate, a broken heart can heal again, it is simply an unkillable monster.

Even top experts like Zhao Shanhe had their heads bitten off by it. If it were them, they would be even more unable to resist.

Fortunately, this monster was exhausted, otherwise I don't know how many people would have died.

"Brother Dustin, how are you? Are you okay?"

After a brief daze, Dong Qianqiu finally led a group of people forward.

"I'm fine, but Elder Zhao of your Tianxiahui seems to have had an accident." Dustin said calmly.

Hearing this, Dong Qianqiu's mouth twitched and he was speechless for a moment.

How can this be called an accident? This is clearly the separation of corpses!

"Hey! You were standing next to Elder Zhao just now and saw him being attacked by a monster. Why didn't you help?!"

At this time, a young female disciple from the Tianxiahui suddenly asked.
