An Understated Dominance by Marina Vittori Chapter 2222

### Chapter 2222

At this time, a young female disciple from the Tianxiahui suddenly asked.

The female disciple was wearing white clothes and looked quite pretty, but her eyes were a little more mean.

“Why should I help?”

Dustin shrugged and said confidently: “What does it have to do with me when Elder Zhao is attacked? Why should I risk my life to save him?”

“you.....”

The female disciple in white choked, and shouted: “You are obviously willing to die without saving anything! As a member of the world, you have no chivalrous spirit at all. Aren’t you afraid of being laughed at if you spread the word?”

“You are noble and chivalrous, so why didn’t you save me just now?” Dustin retorted.

He hates this kind of moral kidnapping guy the most.

He has done nothing but talk, and he always criticizes people from the moral high ground.

It’s disgusting.

“I was too far away just now. If I could have arrived in time, I would definitely not stand idly by like you!” The female disciple in white said righteously.

“Oh, is it so?”

Dustin sneered: “Elder Zhao’s head is still in this guy’s belly. You are so brave and righteous. How about helping Elder Zhao dig out his head and collect a whole body?”

“You...what did you say?” The expression of the female disciple in white changed.

“What? Didn’t you hear clearly? Then I’ll say it again.”

Dustin pointed at the lion lying on the ground and said: “This guy ate Elder Zhao’s head. As a disciple of the Tianxiahui, it shouldn’t be too much for you to help your elder find his head and assemble the whole body, right?”

Isn’t it just moral kidnapping? I can do it too!

“I.....”

The woman in white froze, fearful and afraid to step forward.

One is that I feel sick, and the other is that I am afraid that the lion will suddenly wake up.

After all, she had just seen the ferocious appearance of the other party.

This thing can kill even Zhao Shanhe. What if he wakes up suddenly after being stimulated and kills her conveniently?

“What? Are you scared? As a member of the Jianghu and a disciple of the Tianxiahui, you can’t even do this little thing, right?” Dustin said in a strange tone.

“Who, who said I’m scared? Isn’t it just digging my head? What’s the big deal!”

After being ridiculed by Dustin, the female disciple in white immediately took offense and agreed directly.

“You are so brave, so please.”

Dustin stretched out one hand and made a gesture of invitation, then stepped aside to watch the show.

Dong Qianqiu and the others looked at each other in confusion, not knowing what to do.

As a disciple of the Tianxiahui, there is nothing wrong with gathering a whole corpse for the elder Zhao Shanhe.

However, the male lion was only in a coma, not dead. It was undoubtedly a desperate act to have his head removed by caesarean section.

If you accidentally awaken this monster, the consequences will be disastrous.

“Gulong...”

The female disciple in white swallowed, then raised her sword and cautiously approached the lion.

At this moment, the male lion was naked and motionless, except that his chest was rising and falling, and his breathing was a little heavy.

“Go to hell!”

The female disciple in white gritted her teeth, then stabbed the lion in the chest with her sword.

Before taking the head, she had to solve this hidden danger first so that everything would be safe.
