An Understated Dominance by Marina Vittori Chapter 2226

Chapter 2226

“Where did that little Taoist priest come from? Is it possible?” Liu Hongxue was a little confused.

You must know that no matter how weak the lion is now, he is still a master-level strongman and cannot be competed by ordinary disciples.

“Don’t worry, as long as he is here, the crazy killer can’t make any big trouble.” Yan Buqi took a closer look and quickly smiled.

“Oh? Does Brother Yan know that little Taoist priest?” Xu Yang was a little curious.

“If I’m not mistaken, he should be the son of Zhang Yuzhen, the heir to the Heavenly Master, Zhang Yiqing!” Yan Buqi said.

“Zhang Yiqing?”

Xu Yang and Liu Hongxue looked at each other, both confused.

It was obvious that they had not heard the name before.

“The people of Longhu Mountain have always kept a low profile. You don’t know that Zhang Yiqing is normal.”

Yan Buqi smiled and said: “But I can tell you very seriously that this person is extremely talented, has Taoism and spiritual skills, and has received the true inheritance of the Heavenly Master. Although he is not on the list of geniuses, I think he is truly The strength is even more powerful than Kuang Lang, who is number eight on the list of geniuses!”

As soon as these words came out, the expressions of several people around him changed.

It's more powerful than the wild waves, which is a bit scary.

"Brother Yan, are you kidding? This little Taoist priest is really that powerful at such a young age?" Liu Hongxue was a little suspicious.

Judging from Zhang Yiqing's appearance, he was only seventeen or eighteen years old, even younger than her. How could he be compared to the powerful ones on the list of geniuses?

"Whether it is true or not, I believe you will know soon." Yan Buqi smiled lightly and did not explain too much.

At this time, the mad lion was already roaring and rushing towards Zhang Yiqing.

He looked like he wanted to eat people.

Zhang Yiqing, as if he didn't see it, yawned and threw out a piece of yellow talisman paper.

"Move mountains."

The yellow talisman suddenly bloomed with a burst of soft light.

At the same time, a huge word "mountain" flashed in the air.

Immediately afterwards, as if the talisman had become spiritual, it suddenly fell from the air and accurately attached to the lion's back.

"boom!"

There was a loud bang.

The running lion was directly crushed to the ground by the talisman, and a human-shaped hole was created.

In that battle, it seemed that what was pressing down on him was not a piece of talisman, but a huge mountain!

“Ah~!!”

In the pit, the lion was still roaring, with an extremely ferocious expression.

However, except for the fact that his head can still move slightly, his body has been completely immobilized by the talisman, and he cannot even move a finger.

“Fix the soul.”

Zhang Yiqing threw out another blue talisman and stuck it on the lion’s forehead.

The next second, the lion’s roar stopped abruptly.

His expression was completely frozen, and even his brutal eyes instantly became hollow, as if his soul had been taken away.

From the beginning to the end, Zhang Yiqing looked sleepy and completely unable to lift his spirits.

Seeing such a scene, everyone was secretly shocked.

Is this the method used by the disciples of Longhu Mountain? It’s really incredible!
