An Understated Dominance by Marina Vittori Chapter 2228

“Huh?”

As soon as these words came out, Zhang Yiqing, who was about to leave, immediately stopped and looked back at Dustin with a bit of curiosity.

The rest of the people also looked at each other, not knowing why.

No one expected that Dustin would actually compete with the people of Longhu Mountain for a killer.

“Sir, this person is extremely dangerous and a huge hidden danger. If you stay with me, you will be in danger at any time. Why not leave it to us at Longhu Mountain? This will be beneficial to everyone.” The round-faced Longhushan disciple on the left smiled.

“Taoist Master is worrying too much. If I can defeat him once, I can defeat him a hundred times. In my hands, he can't make any big waves.” Dustin responded with a smile.

“Sir, we are doing this for your own good, so please make it convenient.” The round-faced Longhushan disciple was still very polite.

“Thank you Taoist Priest for your kindness, but I have great use for this person and can't leave it to you.” Dustin shook his head.

There are too many secrets in the lion. Whether it is the assassination or the ability after turning into a beast, he needs to investigate clearly.

“Hey! You are so unreasonable! If my junior uncle hadn't taken action just now, you might not have been able to capture this person!” Another tall Longhushan disciple couldn't help it.

Although Longhushan doesn't care about worldly affairs, they have always responded to everyone's call in the world.

No matter where you go or what you do, people in the world will sell some thin noodles.

However, the guy in front of him didn't give him any face.

Really ignorant.

"First of all, I am very grateful to Longhu Mountain for the support. I don't mean anything unreasonable. It's just that we have worked hard for so long just to capture this person. Now that Longhu Mountain has taken him away, what about our previous Wouldn't all your efforts be in vain?" dustin said calmly.

As soon as these words came out, the two Longhu Mountain disciples were speechless for a moment and could only look at Zhang Yiqing.

In fact, they don't quite understand why the young master uncle, who has always been stoic, would be interested in a killer?

"What you said makes sense, but I'm speechless."

Zhang Yiqing nodded, agreeing with dustin's statement, but the next second, he changed the topic again and said: "But, take this guy back, it's my home There's nothing I can do about the old man's order. Just think that we, Longhu Mountain, owe you a favor today. How about it? If you need help in the future, you can always ask us for help." As soon as

these words came out, there was a commotion on the scene.

Everyone looked at dustin with eyes full of envy and jealousy.

What does the favor of Longhu Mountain mean?

That is a God-given opportunity that countless people dream of!

As long as you use it well, it can not only be used as a life-saving talisman, but also make you leap over the dragon's gate.

Or even, become a big shot who dominates a party!

As a being who is above the rivers, lakes and temples, it is no exaggeration to say that whoever gets the favor of Longhu Mountain can change his life!

They really didn't expect that Zhang Yiqing would be so generous and make the promise so easily.

I believe even a fool would not refuse such overwhelming wealth.
