An Understated Dominance by Marina Vittori Chapter 2243

“Yin Yin? Are you...serious?”

Dustin’s eyelids twitched and his expression became strange.

Ever since this girl awakened her bloodline, she has always been crazy and her behavior has become extremely bold.

So he was mentally prepared for certain situations.

However, he really didn’t expect that Huang Yinyin would be so bold.

On the day of the martial arts competition, the genius disciples of all sects must be poisoned.

This crazy behavior made his scalp numb just thinking about it.

It can only be said that this girl’s way of thinking cannot be judged by common sense.

“Of course we are serious. As long as we poison those threatening opponents, wouldn’t it be easy to win the championship? I am really a genius for coming up with such a wonderful way!” Huang Yinyin said proudly.

“...” Dustin was speechless for a while.

Yan Buqi and the others were even more frightened and felt like they were sitting on pins and needles.

You know, Huang Yinyin’s voice was not quiet at all, and all the warriors around her could hear her clearly.

Many people cast wary glances, and some even pulled out weapons.

If they continue to talk, they will soon become public enemies in the martial arts world.

No wonder the disciples of the Witch Gu Sect are not very popular, and they are always poisoned. Who can withstand this?

“Yin Yin, I think it’s better to forget about this matter. Since it’s a competition, it should be fair and just, win based on strength, and not play any tricks.” Dustin said seriously.

When he said this, he deliberately raised his voice, mainly to make the surrounding warriors put down their guard and prevent them from facing each other with swords.

“Uncle, do you think my method is bad?” Huang Yinyin tilted her head.

“It’s not bad, it’s just a bit... life-consuming.”

Dustin lowered his voice and winked at the people around him: “They all heard what you just said. If something happens, none of us can run away. Let’s just rely on our strength to fight honestly.”

“What are you afraid of? Whoever dares to disobey will be poisoned!” Huang Yinyin glared at the surrounding warriors, which was completely true.

On the contrary, some of the warriors who were glanced at by her were so frightened that their expressions changed, as if they were facing a formidable enemy.

“Okay, okay, girls, don’t shout and kill all day long, be a little gentle, you will have to get married in the future.” Dustin changed the topic.

“Marry? I don’t want to marry! No man is good!”

At this point, Huang Yinyin suddenly changed the subject and said with a smile: “Of course, except you, uncle, you are the best person in the world!”

“You This girl!” Dustin shook his head and smiled, quite helpless.

As for Yan Buqi and Xu Yang, who were sitting next to them, they could only look at each other and smile bitterly.

Men don’t have any good things, so the impact is really huge.

“Sister Yinyin, I heard that the voodoo bugs of your witchcraft and Gu sect are very powerful. Can you let me see them?”

At this time, Liu Hongxue suddenly said something coldly.

At this moment, she was full of energy and curiosity.

“We have many kinds of Gu insects. Which one do you want to see?” Huang Yinyin asked with a smile.

Generally speaking, people who know her identity will avoid her, but this girl in front of her is an exception.
