An Understated Dominance by Marina Vittori Chapter 2273

Chapter 2273

“You...you actually used poison?!”

No. 24 gritted his teeth, looking angry and dissatisfied.

He tried to struggle to get up, but found that he could not lift up any strength, and it was difficult to even move his fingers.

“The competition in the ring is fair and aboveboard. Even if you use hidden weapons or poison, it still complies with the rules of the game.”

No. 95 said calmly: “Besides, I didn’t kill you just now, I just paralyzed your whole body. If I really have murderous intentions, You are a dead person now!”

“You——!”

No. 24 was choked and speechless.

Although he didn’t want to admit it, he did lose.

Because the rules of the game do not restrict the use of poison, and the opponent is attacking from the front, not a sneak attack.

He didn’t block it because he was not strong enough.

“Contestant No. 95 wins!”

Seeing that Contestant No. 24 was unable to move, the referee decisively announced the result of the game.

For a moment, there was thunderous applause.

“Hahahaha... win, win! We win again!”

“One move solves the battle. Contestant No. 95 is really awesome!”

“If you want to talk about being awesome, it has to be our eldest brother! Whoever wins can win. It’s really amazing. It’s over!”

Everyone at the gambling table was in high spirits and excitement.

All gamblers who bet on player No. 95 made a fortune.

Before, they had some doubts about the judgment of the man in gray, but now, they have unconditional trust and admiration.

This is no longer a brother, but a master!

The real God of Wealth!

“Great! We’ve made a lot of money again!” Liu Hongxue smiled broadly, overjoyed.

“How’s it going? I heard you right, senior brother, right? Just follow that person and bet. We have to catch this kind of overwhelming wealth!” Xu Yang’s face was filled with joy and pride.

“I’ve made enough, it’s time to stop.” Liu Rushuang said suddenly.

Her intuition told her that if she continued to bet, she would probably lose.

“Senior sister, don’t be anxious. The gambling game has just begun. Besides, the God of Wealth will point out the direction for us. We just have to bet and we are guaranteed to make a lot of money!” Xu Yang didn’t care.

“Yes, sister! This opportunity to earn spiritual stones is a once-in-a-lifetime opportunity, don’t miss it!” Liu Hongxue said happily.

“Don’t be too greedy in a gamble like this, otherwise it will be too late to regret it.” Liu Rushuang frowned slightly.

The two of them have won a lot of spiritual stones. If they absorb them all, they will be enough to break through the current realm.

“Senior sister, you are just too careful. As the saying goes, the brave will be starved to death and the timid will be starved to death. With so many spiritual stones presented to us, if we ignore them, we will regret it.” Xu Yang said.

“Sister, please don’t think too much. We have a noble person to help us today, and we will definitely make a lot of money.”

**Liu Hongxue grabbed her sister’s arm and smiled coquettishly:
“Otherwise, I promise you, if you make enough three hundred Just give up on the spiritual stone and never be greedy for more!”**

“That’s all, since you insist on keeping it, I have nothing to say. Whether you are happy or sad, you can decide for yourself.” Liu Rushuang shook her head and said no more. .
