An Understated Dominance by Marina Vittori Chapter 2275

Chapter 2275

“Put it on, bet it! Bet it! Listen to me, bet it all on No. 13 Wei Xiu!”

“Brothers! It’s time to get rich. Don’t miss it if you pass by!”

“Is there any dear friend who can lend me some treasure? ? After winning the spirit stone, I will definitely pay it back with interest!”

“...”

The gamblers shouted, betting one after another on everything of value.

The atmosphere at the scene became extremely heated.

In the eyes of gamblers, this game is purely about picking up money, and the more bets, the better.

“Hey, hey, hey... get out of the way, get out of the way! We’re here first, let’s bet first!”

As more and more gamblers gathered, the scene became a bit chaotic.

Xu Yang and Liu Hongxue were just stunned for a moment. The gaming table was already crowded with people. They had no choice but to push their way up.

As the saying goes, an opportunity cannot be lost and it will never come back. There are only a few minutes left before the start of the fifth round.

If the market is closed in advance before placing a bet, it will definitely be a loss for them.

So at this time, they no longer cared about image and dignity, and began to squeeze forward.

“Don’t worry, everyone, line up and take your time one by one.”

“It’s still a long time, there will be opportunities, I guarantee that you can all bet.”

“Hey, that hero in purple clothes, you ride on me What are you doing on your head? Come down, come down.”

“...”

Huang Yinyin stood in front of the gambling table, constantly calming everyone’s emotions and maintaining order.

She also didn’t expect that the situation would become so heated.

Hundreds of people, all gathered at the gambling table, crowded together.

The small gambling table was completely blocked.

Fortunately, these people still obeyed the rules and did not take advantage of the situation or engage in any sneaky behavior.

Otherwise, she would have to kill the chicken to scare the monkeys and establish some dignity.

Of course, she didn’t realize that the evil reputation of the Witch Gu Cult in the world had already cast a shadow on people.

Anyone who dares to play tricks in front of the Witch Gu Sect is simply because they don’t want to live long.

Everyone knows that among the three sects in the world, the one that is least likely to be trifled with is the witchcraft sect.

Once you offend someone from the Witch Gu Cult, you don’t know how you will die.

Five minutes later, the fifth round officially started.

Most of the gamblers have placed their bets, but only a few have not yet made it.

For this reason, Huang Yinyin also deliberately delayed the closing time for two minutes to harvest as many people as possible.

“Brother Dustin, why don’t you bet? This is a good opportunity to earn spiritual stones.”

After returning to his seat, Xu Yang felt a little strange when he saw Dustin motionless.

“Small gambling makes you happy, but big gambling is harmful to your health. Gambling is all about having fun. If you take it too seriously, you will fall behind.” Dustin smiled lightly.

“Brother Dustin, your character is a bit too Buddhist. It’s not interesting if you don’t fight or grab. You have to be vigorous and exciting every now and then, otherwise it will be too boring.” Xu Yang said with a smile.

“You’re right. Don’t let this opportunity to pick up money go. I really don’t know what’s going on in your mind?” Liu Hongxue shook her head, looking like a fool.

In this regard, Dustin just smiled and said nothing.
