An Understated Dominance by Marina Vittori Chapter 2278

Chapter 2278

Wei Xiu's performance made the gamblers who placed their bets a little nervous.

Everyone was staring and worried.

In their opinion, with Wei Xiu's strength, he should be able to win easily.

Why did he still fall behind after fighting Wang Hao for several moves?

What's going on?

"Brother, is there anything unexpected in this game?"

Liu Hongxue looked quite worried in the audience.

She had just bet all the spirit stones and made a lot of money if she won, but lost everything if she lost.

"Don't worry, it's just a small accident. It won't affect the overall situation."
Xu Yang was still confident.

Who hasn't made a mistake yet?

Wei Xiu just underestimated the enemy. As long as he was serious, defeating Wang Hao would not be a problem.

At this moment, on the No. 1 arena.

Wei Xiu's expression gradually became serious.

At first, he really didn't take Wang Hao seriously, but after the fight, he found that the opponent's strength should be on par with him.

If he doesn't try his best, he may not be able to win.

“I have to admit that you are very strong, much stronger than I expected.”

Wei Xiu slowly put on an attack stance, his eyes became sharp: “I underestimated you just now and almost let you take advantage, but This kind of thing will never happen again, because next, I will use my special skills to completely solve the battle!”

“Really? Then I’ll wait and see.” Wang Hao smiled.

“The first style of Thunder Spear Technique – Spring Thunder Burst!”

Wei Xiu shouted, the spear in his hand suddenly pulled back to gain strength, and then thrust forward suddenly.

“Boom!”

The moment the spear was thrust out, there was a sound like thunder.

A dazzling white light suddenly burst out, like a dragon or a dragon, and swept towards Wang Hao with terrifying power.

“What a domineering marksmanship! He is worthy of being one of the top ten heroes in the world!”

“The thunderous marksmanship is famous for its fierceness. Once used, it is as powerful as a rainbow and unstoppable. When I see it today, it is indeed worthy of its reputation!”

“He can be defeated by Wei! Under Xiu’s thunderous shooting skills, Wang Hao is proud of himself!”

“...”

Seeing Wei Xiu’s powerful power, the scene was in an uproar.

Especially the gamblers who had placed their bets, their eyes were shining with excitement.

Even the Thunder Spear Technique was used. It seemed that Wei Xiu would win today.

“Thundering marksmanship is nothing more than that.”

Faced with the oncoming shot, Wang Hao looked calm, without any panic, but a contemptuous smile appeared at the corner of his mouth.

Then, Wang Hao tiptoed, his whole body ejected like lightning, and the sword in his hand also slashed out at an incredible speed.

Everyone could not see Wang Hao's sword moves clearly, they could only feel their eyes flickering.

When the scene was frozen again, Wei Xiu and Wang Hao had already passed each other.

The two stood back to back, several meters apart.

Wei Xiu frowned, his face solemn, and the hand he was holding was trembling slightly.

On the other hand, Wang Hao's expression was as calm as ever, and the sword in his hand was bleeding “tick-tick-tick”.

When everyone was confused and confused, Wei Xiu suddenly spurted out a mouthful of blood, then his knees weakened and he collapsed on the ground.

Everyone was stunned!
