An Understated Dominance by Marina Vittori Chapter 2293

Chapter 2293

“Mr. Holmes, would you like a cup of tea and an apology? Are you taking this guy too easy?”

“Yes, Mr. Holmes, look at our senior brother, who was beaten and vomited blood. If we just let him go, what will we do in the future?” Convince the crowd? “

“Mr. Holmes, this kid can avoid death, but he can't escape the crime of living.” In my opinion, break his legs first!”

Everyone was talking, filled with indignation, and looked at Dustin with extremely evil eyes.

“What? Doesn't what I say work?”

The old man raised his head and glanced at everyone, his expression calm and indifferent.

However, just such a simple look frightened everyone into silence immediately, and they all shrank back and did not dare to say anything more.

They knew that the old man was Damien Holmes, one of the “Two Evils of Heaven and Earth.” His strength had reached that of a master, and he was famous around the world.

All the people on the road were frightened and terrified all day long when they heard the name of the evil spirits of heaven and earth.

Facing such a murderous god, they naturally did not dare act recklessly.

“Young man, why are you still standing there? Hurry up and offer tea and apologize.”

The old man named Damien Holmes spoke again. Although his tone was calm, there was no doubt about it.

Dustin was unmoved and said calmly, “Did I say I wanted to offer tea and apologize? These people were the first to provoke me. I don’t think I did anything wrong. If I want to apologize, it should be them who apologize to me.”

As soon as these words came out, everyone was so angry that they almost jumped and cursed.

The person who beat them didn’t know how to repent, and he appeared arrogant. He simply didn’t know how to live or die!

If it weren’t for Damien Holmes’s face, they would have taken action long ago.

“Huh?”

Facing Dustin’s response, Damien Holmes couldn’t help but frown slightly, looking a little unhappy. “Young man, you have to understand that I am giving you a chance. Without my intervention, these people would have torn you apart. You’d better think clearly about whether you want to apologize over tea or not?”

“I appreciate the kindness of my seniors, but it’s absolutely impossible for me to apologize to them.” Dustin answered simply.

Damien Holmes’s face turned cold. “Hmph! You don’t know how to lift things! Since you don’t know how to lift things, I won’t mind your own business. I would like to see how much you weigh; how dare you be so arrogant!”

After saying that, he winked at the man in white next to him.

The latter quickly understood, and his expression instantly became fierce.

The man in white waved his hand fiercely and said, “Boy! Mr. Holmes gave you a chance to admit your mistake. That’s because he values you highly. I

didn't expect you to be so shameless. It seems like you have no idea how high the sky is if I do not impart some knowledge to you today. Brothers! Beat him until he surrenders!"

As soon as he finished speaking, the strong men around him looked at each other and rushed forward with a grin.
