An Understated Dominance by Marina Vittori Chapter 2308

Chapter 2308

This shows how important the treasure we are looking for this time is to the pantheon of gods.

“Master Han, this mission shouldn’t be that easy, right?” Damien Holmes frowned and began to hesitate again.

Being able to have the God-King of the Pantheon take action in person is enough to prove how serious the matter is.

People like them are not worth mentioning in front of the God-King.

So he doubted whether he would be used as cannon fodder?

“Senior Holmes, don’t worry too much.”

As if he saw something, Tyson Houle smiled and comforted: “Although Lord God King has made a plan, he will not take action personally. Lord God King exists only for precautions.”

1.

Besides, the Lord God is strategizing behind the scenes, and I believe that the plan will go smoothly.

As for why the Lord God did not reveal everything, I guess it is for better confidentiality and to prevent the plan from being leaked, so don’t worry too much. .

In addition, I will act together with you. If anything goes wrong, I will take the lead and I will never let you take risks.”

As soon as these words came out, everyone led by Damien Holmes could not help but breathe a sigh of relief.

Tyson Houle has shown enough sincerity, it seems that they were worrying too much just now.

“The Han Lord’s mythology has already talked about this. Naturally, we will not back down. If there is any need at that time, Han Lord God will just give his orders.” Damien Holmes patted his chest and said.

“That’s right! We use people’s money to eliminate disasters. We have received money from the temples, so naturally

we have to do our best to get things done!” “Even if we have to dig three feet into the ground, we still have to find treasures for the temples!”

All the warriors spoke in agreement, looking like they were willing to die generously.

“You are all moral heroes, so I can naturally trust you.”

Tyson Houle smiled slightly and looked at dustin: “Brother dustin, I wonder if you have any questions? I will answer them for you one by one.”

” Don’t tell me, I really have a problem.” dustin followed suit.

“Ah?” Tyson Houle’s expression froze.

He was just saying polite words, but he didn’t expect that the other party would actually climb up the pole.

“Hey! Boy! Where did you come from with all this nonsense?!”

Damien Holmes slapped the table, appearing to be very honest.

“Hmph! Things haven’t been settled yet, but there are a lot of problems. You really don’t understand the rules!”

The warriors sneered, with contempt on their faces.

“It’s okay, if you have any questions, just ask, I’ll tell you everything I know.”

Tyson Houle smiled lightly and tried to maintain a gentlemanly demeanor.

“Master Han, you just said that even the god kings of the temples have arrived. I’m a little curious, which god king is here this time?” dustin said meaningfully.

The temples of the gods had already lost a god king before. Now, who comes to Longhu Mountain to die?
