Chapter 1351

Chapter 1351 "Sect Master." Kate, Tobias, and the others gathered.

Wade looked around, nodded in approval, and focused his gaze on Andrius. "Andrius, I sensed that you used two types of acupuncture techniques earlier.

"One was to suppress and eliminate the demonic nature within my body, and the other was to stabilize my inner energy and prevent it from leaking. Although I consider myself

proficient in acupuncture, I've never heard of these two techniques.

"What exactly are these techniques that have such remarkable effects?"

Andrius had planned to ask about the Flame Emperor.

Thus, he decided to reveal everything.

"These two acupuncture techniques come from an ancient master known as the Flame Emperor."

Then, Andrius recounted the details about the Flame Emperor and added, "I swore an oath to find the Flame Emperor's descendants and protect them for fifty years. Sect Master Klein, have you heard of the Flame Emperor and this family before?"

The Flame Emperor! Only now did Kate realize that Andrius came here to inquire about that.

"The Flame Emperor..." Wade muttered softly, then shook his head. "Neither have I heard of a master called the Flame Emperor, nor do I know of such a family. However..."

Just as Andrius' eyes dimmed, Wade continued, "I know a person who might have heard of the Flame Emperor." Andrius' eyes immediately lit up at those words. "Who is it?"

"He's known as the Turtle Sage!"

A gleam of light flashed in Wade's eyes as he spoke.

The Turtle Sage?

Andrius was slightly surprised. That was the first time he had heard a title with the word turtle”.

Wade seemed to see Andrius' confusion and explained with a smile, “The Turtle Sage has lived for many years, so he took on ‘turtle’ as his title.

“The family that the Turtle Sage resides is a clan specialized in

intelligence. They have a history of several hundred years and claim to be the number one intelligence family in the world. Visit [here](#) to read the latest chapter of this novel

“As for the Flame Emperor you mentioned, since he possessed power surpassing the Martial Saint realm, it's highly likely that the Turtle Sage's clan recorded this remarkable figure.

“Of course, there's no guarantee. If the Flame Emperor was born before the establishment of the Turtle Sage's clan, then it'll be hard to say.”

Andrius nodded. Having such a lead was already good enough. Thus, he quickly asked, “Sect Master Klein, where's the Turtle Sage's clan located?”

“The location...” Wade explained, “The

Turtle Sage's clan is located in the

vast Northern Desert. Even if you

reach the area, it might not be

easy to find unless you have the

specific information. However, |

Wade provided detailed information
to Andrius. “In the vast Northern

“However, the Turtle Sage’s clan has been hidden for many years and will not easily accept outsiders. If you want to meet the Turtle Sage, you must overcome the trials he set.” Trials?

As long as he could get information, that did not matter.

Andrius nodded. “Thank you for telling me, Sect Master Klein. The trials won’t be a problem.”

“Good!” Wade nodded in agreement.
