Chapter 1386

"I'll ask you one last time. Will you hand it over or not?" Justin walked up with a smirk, unable to resist swallowing his saliva.

"Ptuj!"

When her family's company went bankrupt years ago, she already knew that there was a connection to Justin. However, she simply did not have any evidence. There was no way that she would treat him cordially now.

She spat directly on his face without any hesitation.

"shit!" Justin was c

off guard, and the spit landed on his face. He was instantly furious.

A sinister look flashed in his lecherous eyes. "You shameless thing! I'll take your first time in front of a crowd today. Let's see how you keep acting tough!"

Then, Justin violently tugged, and Liliana's outer garment was torn open with a rip.

Liliana saw his hands approaching and struggled furiously, but she could not break free, leaving behind tears of despair.

The company went bankrupt...

Her parents died...

Her family was in ruins...

Today, she might also be humiliated...

She just wanted to seek justice for her parents. Why was that so difficult?

Plop!

Tears of despair and helplessness dripped from the corner of her eyes and fell to the ground. Justin's hand had already touched Liliana's underwear.

Bam!

At that moment, a figure descended from the sky and kicked Justin away, causing him to crash into the garbage heap headfirst.

It was Andrius and Kate who had rushed over.

Their entrance shocked the high school boys on the scene. They stood there dumbfounded, both scared and wary as they stared at Andrius, not daring to move.

Only when Justin struggled out of the garbage heap, vomiting profusely, did the deathly silence break

"rucd"

With mud on his head exuding an extreme stench, Justin stormed over angrily and roared at Andrius, "How dare you hit me? Do you know who I am? Do you know how many contributions I've made for Jurith? I only need to make one phone call to make you disappear from Jurith!"

His words were simply ridiculous.

"What are you all still standing there for?" Justin panted heavily and roared, "Beat him to death! I'll take responsibility for what happens! I'll give those who beat him up a million!"

His father was the renowned Louis Conway of Jurith!

It did not matter even if he killed a few people.

Unbeknownst to him, the person he threatened to kill had just been personally received by the supreme leader of Argos, Henry Lott, who did not dare to show the slightest neglect!

Swoosh...

Upon hearing this, the high school boys immediately took action, aggressively surrounding Andrius. They were students who idled about instead of studying seriously. When they heard that they would get a million for beating someone up, they could not resist and prepared to take action.

Andrius was calm facing this situation and even felt like laughing. He glanced at Kate helplessly and said, "You handle this. I won't take action."

"You—I..." Kate was also exasperated. "I'm the Maiden of the Medicine Sect, but you want me to bully a bunch of kids? How can I do that? I'll be a laughingstock if word gets out!"

Well...

Andrius widened his eyes and said speechlessly, "Then, wouldn't it be worse if I beat them up with my Identity? Hurry up and don't dally."
