

## Chapter 1042 A Breakthrough In Battle

On stage, Liam unexpectedly surrendered all of his defenses in front of the audience. The eyes of the audience remained stuck on him.

He even stopped moving and stood like a live target, inviting Rohan to attack him.

Rohan's palm hit Liam's chest, knocking him back two steps.

Rohan furrowed his eyebrows, and his gaze sharpened as he stared at Liam and said, "Have you given up resisting? Won't you even put up a fight? If that is the case... I'll grant you your wish. You'll die now!"

As he spoke, the stage above erupted in a stunning display of lightning, the blinding brilliance making it hard to keep one's eyes open.

Rohan then channeled all of the electric force on stage, his form glowing with lightning as he surged towards Liam.

"Die!" he shouted ferociously, hoping to fully destroy Liam with his electric strength.

A terrifying torrent of lightning slammed into Liam at that instant. It was a fearsome spectacle of strength, which left everyone shocked.

Liam's body was suddenly infused with infinite fine arcs of lightning. He was covered with waves of raw power. However, the scene Rohan had envisioned, in which Liam was completely destroyed by his onslaught of strong attacks, did not happen.

Instead, he noticed the arcs of electricity on Liam gradually disappear, to be replaced by a vivid green glow full of vitality.

At that moment, Liam's life energy surged entirely. It was like a volcano that had been building up power for a thousand years, just for this explosion of energy!

Rohan gasped in terror as he witnessed this spectacle. "This... A breakthrough during battle? How is this even possible?"

Below the stage, Julie and Shayla noticed the turn of events and could finally smile.

Tyler's expression was a mix of amazement and panic, with his forehead drenched in beads of cold sweat. He was well aware that Liam was already a match for Rohan before the breakthrough. Now, Rohan would be completely outmatched. He hadn't anticipated Liam's sudden surge of power.

Rohan was going to face a humiliating defeat!

Tyler might have been unconcerned if Rohan had lost under regular conditions, but not now. The circumstances had shifted for him now.

His very life was at stake!

Tyler's body began to quiver, and panic took possession of him.

In the middle of the lightning's stimulation, Liam accomplished his breakthrough, rising to the rank of six-tier one-star Primogem Warrior.

Within the sixth layer, ten levels represented the awakening ability's power!

Beyond this grade, primogems, formerly valuable to common fighters, became only a tool for cultivation.

Liam opened his eyes abruptly, exuding a limitless fountain of life power.

When he awoke, all paralytic effects on him had vanished!

Rohan was taken aback by Liam's surprising breakthrough and briefly lost his cool.

Liam seized the chance, appearing near Rohan in the flash of an eye and grabbing him.

He also activated his awakened skill at that instant!

A great consuming power quickly grabbed Rohan, sucking the life energy from his body.

As Liam absorbed Rohan's vitality, his own strength grew stronger.

If this persisted, Rohan would be dead.
