

Chapter 1911 Introducing Girls To Draco

In the car, Brandon smiled. "How are you holding up? Are you still up for some shopping?"

Janet shook her head. "No, I just want to head home and rest. The world feels scary right now. I have to protect the baby."

Sensing her distress, Brandon offered, "I'll have ten bodyguards protecting you. No one will get near you or the baby."

Exhausted and scared, Janet sighed. "We should skip the shopping. I'm too tired. Let's just go home and rest."

Brandon agreed and drove them back. "Whenever you're up for shopping, just say the word. I'll be with you. Don't worry."

Janet mumbled a yes as she pushed her seat back, ready to nap. Then her phone rang.

Seeing it was Draco, she glanced at Brandon, and thankfully, he was focused on driving.

Draco asked, "How are you, Janet? Did you head to the hospital for a check-up?"

"Yes, the baby's fine. We're heading home now.

Brandon, listening now, perked up at the dinner invite. He let out an inexplicable sigh as she mentioned the two of them treating him.

"Let's hold off for now," Draco replied. "Focus on the baby. Don't worry about work. Elizabeth will keep you updated on design news."

Draco's aloofness hid a thoughtful side. "Thanks, that's a big help," Janet replied sincerely.

After a friendly chat, they hung up. The worry lines on Janet's face softened.

"What did he say?" Brandon said with a hint of jealousy creeping in, "You're smiling too hard."

Ignoring his jealousy, Janet summarized in good spirits, "He said to focus on the baby, skip the meal for now, and Elizabeth will update me on design news."

Brandon scoffed. "Just a few magazines? I can have Sean subscribe you to every fashion magazine in the world!"

Janet found his offer amusing. She grabbed his phone. "Draco meant insider info, things only people in the fashion circle know."

After a tense silence, Brandon blurted, "Isn't Draco too old to be single?"

Janet frowned. "I don't think so, but I don't know about his personal life. And he's not that old, is he?"

Brandon remained silent, a dark look on his face.

Back home, Brandon texted Sean to find information on professional, artistic single women in Barnes.

Confused, Sean asked why. Brandon simply demanded "high-quality" ladies to introduce to
