

# Married At First Sight

**Married At First Sight Chapter 3346**-Ezequiel retorted, “We are short of money? Do we need you to support us in our old age? You are just making excuses. Your sister, Sarai, is married, and you’re still single.”

Bianca still smiled. “Then I can support myself as a boss after I make money, right? I’m really busy with work. Besides, I can’t find the right one. Even a very outstanding man may not be interested in me.”

As soon as she finished speaking, Ezequiel (Silver Fox) tugged at her sleeve and said, “Where is the money you earned? Where did you spend it? You can’t even bear to wear better clothes. You dress so plainly for the master to see. Do you want Master to rely on you for support?”

Elisa smiled and said, “Bianca’s clothes look simple, but they are branded. In fact, her clothes are not cheap.”

Bianca said, “That’s right, Sister Elisa has good taste. My master and his friends don’t know how to dress like girls. Who told them not to find me a master’s wife?”

Several elderly people pretended to hit the cute baby, Bianca.

Bianca quickly covered her head and ran away, making everyone laugh.

“We are already old, but these little br\*ts and girls often urge us to find a master’s wife for them. As soon as we urge them to get married, they turn around and urge us to get a master’s wife.”

Ezequiel said helplessly. But his words were full of doting.

All five of them remained single for their entire lives, although they had experienced moments of affection when they were young. But in the end, no one could get married. Maybe they were destined to die alone.

Later, they adopted many apprentices, who were trained to become bigwigs in various fields. The best one became their successor. Their lives were lively, and they were not lacking in love.

Audrey and others couldn’t help laughing.

Those who urge others to get married were urged to get married instead.

“Go out and have fun. Don’t get in my way. I should have asked you to come here earlier.”

Ezequiel scolded Bianca.

Elisa stood up at the right time and said with a smile, “I’ll take Bianca out for a walk. She just ate, so she can walk to help digest the food.”

Ezequiel said, “Then you have to prepare more food. When she comes back from her walk, she will digest the food and be hungry again. You should raise her like a pig. No, it’s worse than raising a pig. A pig can eat so much and still grow fat, so you can sell it for a good price.

She eats so much, not only does she not gain weight, but she can’t be sold. You say, Have you set your sights on that outstanding man? Tell me, and I will bring a group of people to help you snatch the man away and force him to marry Bianca. How do you think?”

“A forced melon won’t be sweet. I don’t want it.” Bianca quickly refused to let Ezequiel interfere in her private affairs.

“When I can get married one day, I will definitely tell you, Master. Master, don’t worry; I will never be single. Master, please urge my brothers and sisters.”

It was true that none of her senior brothers and sisters were married, but they were not much older than her.

The problem was that many of them were orphans, unlike her, who had a warm and happy family.

Even if the master doesn’t urge her, her family will. They won’t let her be an old aunt all her life.
